Robert A. Compton  
Venture Investor, Entrepreneur and Philanthropist  
Memphis, Tennessee

Robert Compton has provided executive leadership, financial support and new venture expertise leading to the growth of successful businesses ranging from an international medical device company to more than a dozen new technology firms. He began his career with Telenet Communications before joining the IBM Corp. as a systems engineer. After earning an MBA from the Harvard Business School, Compton served as director of sales and marketing for Boston-based Zoom Telephonics, which was started at Massachusetts Institute of Technology. He entered the venture capital business as an investment manager with First Chicago Venture Capital. Four years later, Compton joined CID Equity Partners in Indianapolis. As a general partner, Compton was involved in financing and building new high-technology companies throughout the Midwest.

In 1997, Compton became group president for operations of Sofamor Danek Group, a medical device company in Memphis, Tenn. He was subsequently promoted to president and chief operating officer. With more than \$400 million in sales, Sofamor Danek became the world's largest supplier of medical devices, computer-assisted surgery products and biologics for spinal surgery. The company was purchased by Medtronic, Inc. and Compton was named president of the Medtronic Neurologic Technologies division. That division was a market leader in cranial neurosurgery with \$190 million in sales.

Compton is now investing in and mentoring very early stage technology companies. He serves as chairman of four private companies—Mezzia, NoInk Communications, ExactTarget and Sci-Tech Adventures. Compton is on the Board of Directors of several non-profit organizations involved in national efforts to improve education and promote entrepreneurship. They include the Ewing Marion Kauffman Foundation, the Kauffman Center for Entrepreneurial Leadership, Interactive Academy, and Exchange City USA. In 1994, he was presented with the Chauncey Rose Medal by Rose-Hulman for his contributions to the American free enterprise system. In 1996, he was elected to the Rose-Hulman Board of Trustees.

**Doctor of Engineering**

B. Guille Cox, Jr.  
Senior Partner—Cox, Zwerner, Gambill & Sullivan  
Terre Haute, Indiana

A member of the Rose-Hulman Board of Trustees since 1985, Guille Cox served as chairman of the board from 1995 to 2001. He was vice chairman of the board and chairman of its executive committee for five years. He is part of a family legacy of dedicated support to Rose-Hulman that dates back to the founding of the college. One of his ancestors, Josephus Collett, drafted the documents establishing the institute and was chairman of the Board of Managers, the governing body of the college. Another ancestor, Robert Sayre Cox, served on the Board for several years just after the turn of the century. Guille Cox's father, Benjamin, served for seven years until 1975 as chairman of the Rose-Hulman Board of Managers, and was instrumental in assisting with the transfer of the Hulman Foundation gift to the college. During Guille's tenure as the Board's vice chairman, he helped lead the institute in the transition to coeducation, and assisted in doubling the size of the campus. While Cox was Board Chairman, Rose-Hulman achieved unprecedented campus facility improvements, success in fund-raising, and the college earned its first No. 1 ranking in its educational category in *U.S. News & World Report*. Two more consecutive No. 1 rankings by the magazine were achieved during his term as chairman.

Cox earned a bachelor of science degree in physics from Massachusetts Institute of Technology in 1968. He received a Doctor of Jurisprudence degree from the Harvard Law School in 1971. He returned to his hometown of Terre Haute in 1971 to begin his law career with Cox, Zwerner, Gambill & Sullivan where he is now a senior partner. Cox has earned the highest possible professional rating by his peers in Martindale Hubbell. His law practice is in estate planning, trusts, probate, business and real estate law. Cox serves as chairman of the Board for Hendrich Title Co., the largest title company in west central Indiana. He is a member of the Board of Directors of First Financial Corp. and its chief subsidiary, Terre Haute First National Bank, where he is chairman of its trust committee.

Cox has served as president of the Board of Directors for the Terre Haute Salvation Army, and the Board of Overseers of the Swope Art Museum. He has been president of the local Exchange and Sertoma service clubs, and served on the board of directors of the Children's Science and Technology Museum of Terre Haute, and the Rose Southside Day Care Center.

### **Doctor of Engineering**

Scott A. Jones  
Chairman, Chief Executive Officer and President  
Escient Technologies, LLC  
Indianapolis, Indiana

Scott Jones and the companies he has developed have made significant contributions to technology worldwide. He is a pioneer in the development of voice-message technologies, and a leader in Indiana's efforts to improve the business environment to promote the growth of high-tech companies in Indiana. Jones co-founded and chaired until 1992 his first company, Boston Technology, which became very successful using patented voice-messaging technologies. The company merged with Comverse Technologies resulting in a multibillion dollar company whose products continue to rely on Jones' patented technologies.

At the helm of Indianapolis-based Escient Technologies, Jones applies his business and technical expertise toward leading a company that is merging Internet power with electronic appliances and devices. Escient Technologies, which Jones co-founded in 1996, is a high-technology management company that channels promising new technologies into strategic positions in the marketplace. Escient's five affiliate companies offer high-tech products and services for home entertainment, data storage and the Internet.

Jones is also leading activities to establish Indiana as a nationally recognized high-technology region. He serves as chairman of the Indiana Technology Partnership, the Gazelle Fund and GrowIndiana Media Ventures. He serves on the boards of Rose-Hulman Institute of Technology, the Art Technology Group, UNX, the Indianapolis Zoo and the Indianapolis Children's Museum. He has received the CyberStar Award from the Indiana Information Technology Association for outstanding contributions to the technology industry. In 2000, Rose-Hulman presented Jones with the Chauncey Rose Medal for his contributions to the free enterprise system.

### **Doctor of Humane Letters**

Susan Porter Rose  
Former Deputy Assistant to President George H.W. Bush  
and Chief of Staff to Barbara Bush  
McLean, Virginia

Susan Porter Rose served as deputy assistant to United States President George H.W. Bush and chief of staff to Barbara Bush for the years of the Bush presidency and in the same capacity during the eight years of the Bush vice presidency. She is one of only two persons in history to have served three First Ladies in a senior capacity.

Her 17-year White House career began as assistant director of correspondence to Patricia Nixon in 1971. Rose later became appointment secretary from 1972 to 1974. She served as appointment secretary and director of scheduling for Betty Ford through the presidency of Gerald Ford. During the administration of President Jimmy Carter, she served at the Justice Department as assistant to the assistant attorney general of the Office for Improvements in the Administration of Justice and to the deputy assistant attorney general for administration. Since leaving the White House, she has served on the United States Commission of Fine Arts and the board of the Bush Presidential Library.

Rose earned a bachelor's degree in English from Earlham College and the master's degree in English from Indiana State University. Both institutions have presented her with distinguished alumni awards. Immediately after college, she worked on the Washington staff of Indiana Congressman Richard Roudebush. Prior to joining the White House staff, Rose was assistant director of admissions at Mount Holyoke College in Massachusetts and for two years served as assistant dean at George School near Philadelphia. Rose has also been inducted into the Indiana Academy. Indiana citizens are elected to the Academy in recognition of their contributions to cultural, scientific, literary, civic, religious or educational development in the state.

### **Doctor of Engineering**

Ralph W. Stahl  
President  
Stahl Engineering Company  
Indianapolis, Indiana

Ralph Stahl has made important contributions to engineering and education through his leadership as a successful businessman and community volunteer. Stahl graduated in 1934 from Illinois Institute of Technology with a bachelor of science degree in mechanical engineering. His first job following graduation was as a domestic heating plant analysis and improvement engineer with Peoples Gas Co. Stahl has worked for the A.C. Nielsen Co. and the Lindberg Engineering Co., where he was honored for his work in research, development and field service on heat treating equipment.

In 1939, Stahl founded the company in Indianapolis that bears his name. Stahl Engineering Co. designs, sells and services industrial heat processing equipment. The company has completed installations totaling well over \$150 million. While continuing his company's growth, he also developed and sold three other successful businesses that ranged from an alloy fabricating company to an aluminum foundry and a business that provided funeral services.

His volunteer work spans more than 70 years. In 1997, Stahl Engineering received the Community Service Award presented by the Indianapolis Scientific and Engineering Foundation. He has served for over 50 years on the Board of Directors of the Boys & Girls Clubs of Indianapolis Association. Stahl helped establish the Keenan-Stahl Boys & Girls Club of Indianapolis. He served as president of the Hoosier Area Council of the Boy's Club of America and was awarded the Bronze Keystone Award for his dedicated service.

In cooperation with the World Health Organization, Stahl made it possible for two basic radiology systems to be sent to Kenya, Africa, where two test installations were conducted. These units served as a model for thousands of similar installations throughout the world. He is currently working with the Greater Educational Opportunity Organization in Indianapolis to create a new independent school. Stahl helped create and continues to support the Ruth Lilly Center for Health and Education.

Katherine Y. Utley  
Chair, Foreign Language Department  
North Vigo High School  
Terre Haute, Indiana

Katherine Utley has distinguished herself as an exceptional educator who has a passion for teaching and for continuing her own professional development. Utley has taught English and Latin classes at Terre Haute North Vigo High School for 31 of her 33 years as an educator. She has served as chair of the foreign language department at the high school since 1992. Utley has coached North Vigo High School Spell Bowl teams to a state championship, a second place and two, third-place finishes in eight years. Her contributions to improving education include designing curricula for freshman honors English and twelve Advanced Placement classes.

Her honors as an exceptional educator include receiving the Rose-Hulman Outstanding High School Teacher Award in 1992, the WTHI-TV Golden Apple Award in 1990, and the Excellence in Education awards from the NAACP and the Vigo County School Corp. She has received four National Endowment of Humanities Fellowships to study classical literature, American literature, Shakespeare and Greek tragedy at institutions ranging from Stanford University to the Folger Shakespeare Library in Washington, D.C.

Utley graduated magna cum laude in 1969 from Indiana State University earning a bachelor's degree in English and Latin. She has also received the master's degree in education from ISU. She has continued her education beyond the master's level with a focus on gifted and talented education. Utley has had several poems published and has been a speaker at teaching seminars sponsored by the American Classical League, Tufts University and Rose-Hulman. She has been inducted into Sigma Tau Delta and Eta Sigma Phi, English and classical honorary societies, respectively.

## **Fifty-Year Commemorative Degrees**

For one hundred and twenty-eight years, Rose-Hulman alumni have been making positive contributions to society as engineers and scientists. Success has not been limited to their career areas. They serve their local communities through civic organizations, youth activities and churches.

Much of the recognition Rose-Hulman enjoys today is because of our alumni. Rose-Hulman graduates make an impact. Their achievements as engineers, scientists and concerned citizens translate into a reputation of quality for their alma mater.

Today, we recognize the contributions of the Class of 1952 by presenting commemorative degrees to those men who have been alumni for 50 years. The diplomas they receive today honor their dedication of time and talent to their careers, society and Rose-Hulman. The following members of the class of 1952 returned to campus for today's ceremony.

## THE ACADEMIC PROCESSION

In today's academic procession, the gown and hood indicate the degree held by the wearer. The hood is lined with the official color or colors of the college or university conferring the degree. Graduates of certain institutions wear gowns in the color of the university, although black is the basic color of the majority of academic gowns. The doctor's gown is faced down the front with velvet panels and has three velvet crossbars on each sleeve. The velvet may be black or may be the color which represents the field in which the degree was conferred.

### ***RHIT Bachelor's Degree Attire***

Rose-Hulman Institute of Technology Bachelor's degree holders or candidates wear a black gown and a black mortarboard with a red and white tassel.

### ***RHIT Master's Degree Attire***

Master's degree hoods for Rose-Hulman Institute of Technology are black, lined with rose satin and white satin chevron and edged in golden yellow velvet. With the gown and hood is worn a black mortarboard with red and white tassel.

## Master of Science

### BIOMEDICAL ENGINEERING

f Christoph Franck ..... Dillingen, Germany  
*"A Lumped Variable Model for Mitral Valve Aperture During Diastolic Filling"*  
Thesis Advisor: Professor Lee Waite

n Jason W. Kear ..... Bloomington, Indiana  
*"A Study of Alternative Passivation Techniques for Implantable  
Ti-6Al-4V and cp Titanium"*  
Thesis Advisor: Professor Samuel Hulbert

William Matthew Kuester ..... Newburgh, Indiana  
*"An Investigation of Skull Constraint During Treatment with a  
Four-Pin Halo Orthosis"*  
Thesis Advisor: Professor Richard Stamper

Zachary R. Nicoson ..... Terre Haute, Indiana  
*"Bond Strength of Fibrin Glue Between Layers of Porcine  
Small Intestine Submucosa (SIS)"*  
Thesis Advisor: Professor Christine Buckley

### CHEMICAL ENGINEERING

Monte A. Brown II ..... West Terre Haute, Indiana  
*"Investigation of Vapor-Liquid Equilibria at Subatmospheric Pressures  
Using a Modified Othmer Still Apparatus"*  
Thesis Advisor: Professor Atanas Serbezov

### ELECTRICAL ENGINEERING

a Pengfei Cheng ..... Xiangniang, Hunan Province, China  
*"Fingerprint Processing and Coding"*  
Thesis Advisor: Professor Keith Hoover

Christian D. Mboula ..... Libreville, Gabon  
*"Design Improvement of a Biomorphic Real Time  
Integrated Circuit Sarcomere Model"*  
Thesis Advisor: Professor Tina Hudson

Jayesh G. Naik ..... Bloomington, Indiana  
*"Base-Band, High-Band, and Low-Band Amplifiers  
Test Software Development"*  
Thesis Advisor: Professor Fred Brockhurst

Marcus Schweiker ..... Korntal-Munchingen, Germany  
*"Design of an Enhanced Curriculum Evaluation + Portfolio System (ECE + P)"*  
Thesis Advisor: Professor David Voltmer

Revati V. Shriram ..... Pune, Maharashtra, India  
*“Design of EGR Flow Monitor for the Diesel Engine”*  
Thesis Advisor: Professor Keith Hoover

Kanchana Srinivasan ..... Delhi, India  
*“Resource Predictor Model for a Diesel Engine”*  
Thesis Advisor: Professor Keith Hoover

#### ENGINEERING MANAGEMENT

Christopher Thomas Brown ..... Terre Haute, Indiana  
*“PVC Ultra Low Density Foam”*  
Project Advisor: Professor Thomas Mason

Benjamin D. Burgess ..... Lizton, Indiana  
*“Operating Departments Based on Small Business Practices:  
A Look at the Factory Controls Department of Allison Transmission”*  
Project Advisor: Professor William Kline

Gregory L. Hays ..... Arlington, Virginia  
*“Implementation of Technical Solutions - A 24/7 Customer-Centric E-Business”*  
Project Advisor: Professor Terry Schumacher

n Dwight H. Heberer ..... Brownsburg, Indiana  
*“M-Powering the Bottom Line of the Service Industry”*  
Project Advisor: Professor Thomas Mason

Joe V. Hill ..... Columbus, Indiana  
*“Warranty Cost Management and Reduction of Electronic Control Systems  
for Heavy Duty Diesel Engines”*  
Project Advisor: Professor William Kline

n Steven James Marks ..... Shepherdsville, Kentucky  
*“M-Powering the Bottom Line of the Service Industry”*  
Project Advisor: Professor Thomas Mason

n Tom McBroom ..... Terre Haute, Indiana  
*“M-Powering the Bottom Line of the Service Industry”*  
Project Advisor: Professor Thomas Mason

Tobias Reggelin ..... Magdeburg, Germany  
*“Analysis of Product Development Options in the Blood Glucose  
Monitoring Line at Roche Diagnostics”*  
Project Advisor: Professor Thomas Mason

James R. Ross ..... Bloomfield, Indiana  
*“Implementation of Technical Solutions - A 24/7 Customer-Centric E-Business”*  
Project Advisor: Professor Terry Schumacher

f Markus A. Schillo ..... Stuttgart, Germany  
*"Impact of Deregulation of the Electrical Energy Market on the  
Operation of Interconnected Power Systems"*  
Project Advisor: Professor Terry Schumacher

f Thomas D. Thompson ..... Terre Haute, Indiana  
*"CDRT, Inc."*  
Project Advisor: Professor Robert Bunch

Robert Wayne Waller ..... West Terre Haute, Indiana  
*"PVC Ultra Low Density Foam"*  
Project Advisor: Professor Thomas Mason

Kyle Ryan Werner ..... Jasper, Indiana  
*"Implementation of Technical Solutions - A 24/7 Customer-Centric E-Business"*  
Project Advisor: Professor Terry Schumacher

Jason Lynn Zielke ..... Antwerp, Ohio  
*"The CyberLog Test Cell Product Standardization"*  
Project Advisor: Professor Thomas Mason

#### ENVIRONMENTAL ENGINEERING

Breck W. Schmidkofer ..... Boise, Idaho  
*"Screening Level Assessment of Risk Posed to Select Receptor Sites by  
Reported Air Releases of Section 313 Chemicals from SARA  
Title III Sources in Vigo County, Indiana"*  
Thesis Advisor: Professor Martin Thomas

#### MECHANICAL ENGINEERING

Margaret Helen Boozer ..... Amory, Mississippi  
*"An Investigation of the Relationship Between Arch Height and Maximum  
Pronation Angle During Running on a Treadmill"*  
Thesis Advisor: Professor Lee Waite

Lester E. Mobley, IV ..... Spencer, Indiana  
*"The Design of a Rotary Valve Cylinder Head"*  
Project Advisor: Professor Wayne Sanders

Stefan Schultze ..... Magdeburg, Germany  
*"Experimental Procedures for the Evaluation of Sound Quality for  
Customer Acceptance of Starter Motors During Manufacturing"*  
Thesis Advisor: Professor Darrell Gibson

f Brent T. Voightschild ..... Bedford, Indiana  
*"Evaluation and Selection of a Plastic for an Electromagnetic  
Interference Shielding Enclosure"*  
Thesis Advisor: Professor David Stienstra

Thomas P. Wangler ..... Magdeburg, Germany  
*“The Influence of Absorptive and Reflective Materials in Mufflers on the  
Performance and Acoustic Characteristics of the ECHO GT-2000 Trimmer”*  
Thesis Advisor: Professor Darrell Gibson

**PHYSICS AND APPLIED OPTICS**

**APPLIED OPTICS**

Sean R. Durrant ..... Clarendon, Jamaica  
*“Fiber Optic Beamformer with Programmable Binary  
True Time Delay Matrix at 1310 nm”*  
Thesis Advisor: Professor Azad Siahmakoun

Yongbin Lin ..... Xiamen, P.R. China  
*“Fiber Bragg Gratings: Theory and Fabrication”*  
Thesis Advisor: Professor Robert Bunch

f Martin J. Nagel ..... Geislingen, Germany  
*“Polarization-Independent Two-Channel MUX/DEMUX Using a  
Photorefractive Lithium Niobate Crystal”*  
Thesis Advisor: Professor Azad Siahmakoun

**SUMMER COMPLETIONS**

**ELECTRICAL AND COMPUTER ENGINEERING**

**ELECTRICAL ENGINEERING**

Garrett Ryan Mace ..... Green Bay, Wisconsin  
Andrew L. Silvers ..... Center Point, Indiana

**COMPUTER ENGINEERING**

Barry Keith Bourne III ..... Bland, Virginia  
Benjamin Francis DeLay ..... Indianapolis, Indiana

**MECHANICAL ENGINEERING**

Weslie Kyle Deckard ..... Nashville, Indiana  
Micah Rick Hazelip ..... Ludlow, Kentucky  
Jennifer Michelle Klingenberg ..... Mundelein, Illinois

## NOVEMBER COMPLETIONS

### COMPUTER SCIENCE

Anthony Joseph Benik ..... Lisle, Illinois  
John Fredrick Glattfelt ..... Aurora, Illinois

### ECONOMICS

Michael Sean Reavey ..... Nyack, New York

### ELECTRICAL AND COMPUTER ENGINEERING

#### ELECTRICAL ENGINEERING

Wesley David Fassnacht ..... Delphi, Indiana  
Brian Keith Johnson ..... Gary, Indiana  
Jeffery Dean McGaha ..... Indianapolis, Indiana  
Erik Anthony Nelson ..... Highland, Indiana

#### Double Major in ELECTRICAL ENGINEERING and COMPUTER SCIENCE

Kevin Alan Klues ..... Springfield, Illinois

#### MECHANICAL ENGINEERING

Timothy Chad Crull ..... Hagerstown, Indiana  
Joshua James Jusko ..... Granger, Indiana  
Matthew Judson King ..... Franklin, Tennessee  
Adam Wayne Meek ..... Naperville, Illinois  
Bryan Joseph Schwering ..... Franklin, Indiana  
Tami Renée Szerencse ..... Elkhart, Indiana  
Mark Curtis Tingley ..... Hutsonville, Illinois
