Disclaimer: Archived issues of the Rose-Hulman yearbook, which were compiled by students, may contain stereotyped, insensitive or inappropriate content, such as images, that reflected prejudicial attitudes of their day—attitudes that should not have been acceptable then, and which would be widely condemned by today's standards. Rose-Hulman is presenting the yearbooks as originally published because they are an archival record of a point in time. To remove offensive material now would, in essence, sanitize history by erasing the stereotypes and prejudices from historical record as if they never existed.

This Book is brought to you for free and open access by the Student Newspaper at Rose-Hulman Scholar. It has been accepted for inclusion in The Rose Tech Explorer by an authorized administrator of Rose-Hulman Scholar. For more information, please contact weir1@rose-hulman.edu.

FREE FINALS SCHEDULE

By Bob Valle
On Saturday morning, June 10, 1961, at 10 a.m. Rose Polytechnic Institute Dr. Herman Moench was presented with a gold meda l by the Sons of the American Revolution (S.A.R.) of Indiana State University. The award was presented to Dr. Moench in recognition of his many years of service to the university and the community.

STEELMAN TO SPEAK

On Monday, May 18, the Rose College of Business held its spring award ceremony and President’s Honor Review. The main purpose of this event was to recognize the hard work and dedication of the students who have demonstrated academic excellence.

The ceremony began with the presentation of awards to students who have excelled in their studies. Among the awards presented were the President’s Medal for Academic Excellence, the President’s Award for Community Service, and the President’s Award for Merit.

The award ceremony was followed by a speech by the guest speaker, Dr. Herman Moench. Dr. Moench spoke about the importance of academic excellence and the role it plays in shaping a successful future.

GRADUATION—FINALS APPROACH

By Jim Rademacher
One of the most important events of the year is the graduation ceremony. This year’s ceremony will be held on Friday, May 21, at 11 a.m. in the Rose Memorial Auditorium.

Discipline Committee Outlined by Mike Thomas
The Discipline Committee is responsible for maintaining discipline and order on campus. It is composed of faculty members who are appointed by the Dean of Students. The committee meets regularly to hear reports from the student conduct officers and to discuss any cases of misconduct.

Cadets Honored At Review

On Tuesday, May 16 the Rose College of Engineering held its annual spring award ceremony and President’s Honor Review. The main purpose of this event was to recognize the hard work and dedication of the students who have demonstrated academic excellence.

The ceremony began with the presentation of awards to students who have excelled in their studies. Among the awards presented were the President’s Medal for Academic Excellence, the President’s Award for Community Service, and the President’s Award for Merit.

The award ceremony was followed by a speech by the guest speaker, Dr. Herman Moench. Dr. Moench spoke about the importance of academic excellence and the role it plays in shaping a successful future.

The above statement was made by Dean Herman Moench, the chairman of the Discipline Committee. The other faculty on the committee are Professors Ralph E. Smith, Edward Maclean, and Anthony Blake and John Hegarty. The sen ior and junior members are Don neker and Morris Cleverley.

This semester the Discipline Committee has acted on two cases involving twelve men. These two cases were all placed on disciplinary probation for a period of three days and six days were suspen ded for one week of time of sentencing.

Parents Given Royal Treatment

The Annual Parent’s Day on Saturday, May 21, was a success for Blue Key members. Parents and friends registered in the morning and were invited to attend classes and meet various members of the faculty, later, a reception was held in the Student Center, and a lunch for senior students was served in the Rose Memorial Auditorium.

For having the highest marksmanship of any freshman at Rose, the award of Merit was presented to Cadet Pfc. Bronis R. de Supinski. Also receiving this award were Cadet Pfc. John M. Warner and Cadet Sgt. Thomas B. Brown.

ABSTRACT

The above statement was made by Dean Herman Moench, the chairman of the Discipline Committee. The other faculty on the committee are Professors Ralph E. Smith, Edward Maclean, and Anthony Blake and John Hegarty. The senior and junior members are Don neker and Morris Cleverley.

This semester the Discipline Committee has acted on two cases involving twelve men. These two cases were all placed on disciplinary probation for a period of three days and six days were suspended for one week of time of sentencing.

The incidents of the past 2 or 3 years and the plans taken by these groups to handle them indicate how much more must be done if the opportunities are to be taken advantage of. It is very likely that the group calling itself the Blue Key will continue to have its influence in the future. It is also probable that other clubs will be organized to handle the situations that arise. It is up to the groups to take the initiative and plan their activities. The future of the Blue Key and other clubs depends on the leadership and guidance of the faculty advisors.

Focus on Faculty

The Faculty Focus again sways to a faculty member who in little known to many members of the student body. His name is John Biel. For thirty-one years Mr. Biel has practiced law and presently he runs a law office in Terre Haute. In his business he has specialized in federal corporation taxes and business counseling. Thus his work has become an executive officer of the Morris Plan Company and is a director or officer of fifteen other corporations.

Mr. Biel received his BS and law degrees from Indiana University, 1920, and his LL.D. degree from Rose-Hulman, 1934. He was a member of the Harrison Train Company when he returned to the student body in 1920. He became a member of the Morris Plan Company in 1928 and has been a director of the company since 1934. He is also a member of the Indiana Bar Association and the American Bar Association.

When asked about other interests, Mr. Biel mentioned that he is very interested in community affairs. He is County Historian for Vigo County, one of the members of the Harrison Train Convention (appointed by the Governor) and has been the first local chairman of the Convention. He has also been active in the local council. He is a member of the Vigo County Historical Society and the local council. He is also a member of the Indiana Bar Association and the American Bar Association.

of the editor to "boil this down" I bring these reminiscences to a close.

It appeared that he had ridden, a-proverbially garrulous and having an acute interest in the sports of the day, he had *simply handed in his cyclometer reading.

We had a goodly turtiber of bicyclists for those times and some men who we considered good riders. It was attempted outside of baseball, and for several years athletics had not become a feature of the shop was then in working order. On this day the support to which he had given his team was needed. It was once the habit of jumping on the Big Four freight, but several days ago he was going to the river and board a train which was pulling out. Meister, of the minstrels, was a bright spark, a relic of that time. He was carried over the bridge the train was going so fast that he did not dare to jump off. He was carried over the river to somewhere near Mary's when the support to which he had given his team was needed.

Bonson Double Winner
In Conference Meet

The Rose conditioner finished out the 1961 track season May 17, by repeating last year's third place finish in the Conference Meet at Principia.

The host school carried off all but three first places, which were won by Rose. As a result, last year's defensive leader, Bob Bruson was the leading man for the Engineers as he gained two gold medals, winning the 500 and 220 yard dash. Don Hurst gained the other first as he tied in the high jump for a fourth place finish.

The thin-clads chances for improving their performances of last year took a deep nose dive when Sigma Nu's McCulloch was placed in the sidelined nursing a pulled leg muscle. Bob made the trip to the meet and tried to help, but the trackmen had to do without his point getting performance in the high jump and broad jump.

Final scores in the meet read: principal 1-11, Rose 30—Greenville 28—Illinois College 21.

May 6, in the final triangular meet of the year at St. Joseph's, the Engineers placed second overall 90-46, and beat out Indiana Tech, 23-21.

Jack Monroe proved to be the menagerie of the meet when the trackmen had to do with only three first places for their school and also due because of Jack's absence.

The Engineers season once again won the 190 and 220, taking the 100 in 10.1, 3:11.9 in the high jump, the only other Rose first.

Sports Spotlight

By Joe Andel

Probably the least publicized but the most successful team at Rose is the Rifle Team. The team is a part of the year around program run by the Military Department. This is because they are not seen against some excellent o . en p e -

Facing Rose in the meet against Indiana University were four members of Kanza state's highest shooter. Bob Roge is a true romper when they decided to play a three-day match at Kansas state. The team of Rose is one committed to 20000 rounds last year.

The Rifle T e a m has been attempting to get more recognition. In the past two years the Athletic Committee has approved eight different matches for next year. Rose will compete against Indiana University and Kentucky this fall and in the near future. In addition there will be a three day match at Kanza state. The Rose team will not lose any men before graduation this year and should do very good in most areas with the men that have been given equipment and armament.

Summer.

The members of the team have almost the same status as varsity athletes. They have the opportunity to switch with both the service and the blankets. The only difference will be a letter placed instead of a major letter.
