THE COVER

The Cover of this year's alumni directory issue of *Echoes* is a collage of some of the more memorable bonfires, bands, Rosie and, of course, teachers placed around the heart of Rose-Hulman Institute of Technology — Moench Hall. The teacher in the collage is Dr. Herman A. Moench '29, who is observing his 50th year on the faculty during 1979-80.

Echoes is published quarterly by Rose-Hulman Institute of Technology at Terre Haute, Indiana 47803. Publication number 470700. Second class postage paid at Terre Haute, Ind.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, creed or national origin.

The Institute does not discriminate on the basis of handicap in admission, or access to, or treatment, or employment in its program and activities.

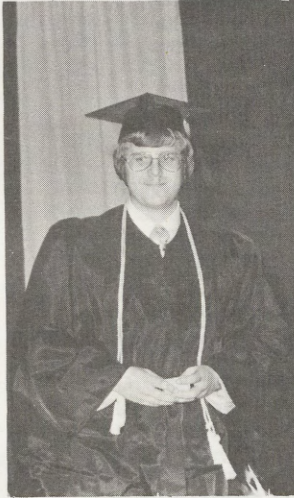

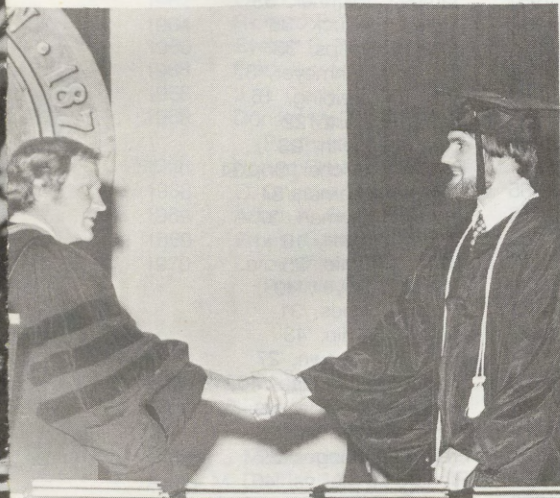

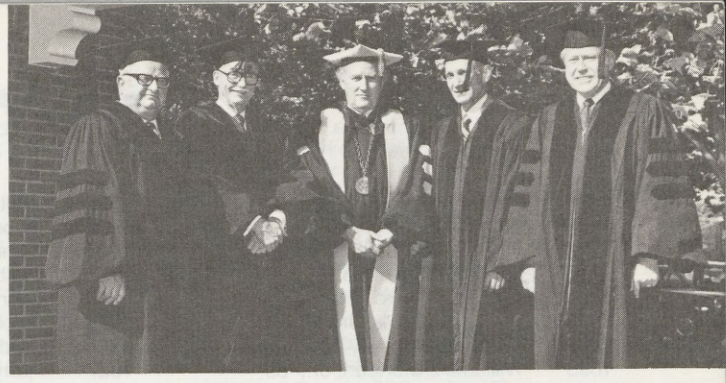

Alumni Directory

Rose-Hulman Institute of Technology

Rose-Hulman Alumni — A Happy Family

In this supplement to *Echoes*, Rose-Hulman Institute of Technology's constituency newspaper, we report via Rose-Hulman's computer the "who, what and where" of alumni of the Institute—the most requested service of the RoseTech Alumni Association. The "how and why" will be covered in the News From Alumni section of subsequent issues of *Echoes*.

Since the engineering profession is one of many transfers and promotions, etc., and Rose graduates, by nature, are "movers and shakers," there no doubt will be a number of alumni who have moved or changed jobs in the relatively short turn-around time of this publication. But just as the telephone company has a "new number" service for its customers, alumni who wish to correct information or secure a new address for a fellow alumnus are only a postal card or telephone call away from doing so. (We must state that Rose-Hulman's service via the alumni office is not toll-free.)

In Rose's earlier years the alumni directory was updated each year and was printed in the back portion of the college's academic bulletin. But as the alumni body grew and the cost of producing the academic bulletin and the directory under one cover became prohibitive, a separate alumni directory was published every three to four years. Two years ago a decision was made to go to a tabloid constituency newspaper and supplement this quarterly paper with this printing of the alumni directory issue of *Echoes*.

Thanks to the conscientious effort of alumni in keeping Rose-Hulman informed as to their whereabouts, the RoseTech Alumni Association has one of the most enviable alumni programs to be found. Our "lost alumni" list usually numbers approximately 100 names out of a possible 5,300 living alumni. Although we wish we had current addresses on every alumnus, we know this is improbable. Nevertheless, we keep trying.

Unlike many colleges and universities, Rose-Hulman's alumni operation does not have an annual dues structure. Each alumnus, some 2,000 parents of current students and alumni and more than 1,000 friends receive the *Echoes* free of charge. This supplement is sent only to alumni.

The alumni office's primary purpose is to be of service to alumni. This may be accomplished through the work of regional RoseTech Clubs, recognition of alumni, placement, continuing education or other areas of endeavor. Perhaps the most important is the fellowship which is inescapable.

Persons who find the information concerning them to be out-of-date or in error are requested to correct this information on the reply mechanism found elsewhere in this publication and return it to Rose-Hulman.

Communication is best when it is two-way. Please keep in touch with Rose-Hulman and assist the Institute in its continuing mission of providing the environment, teachers and facilities required to produce the Rose-Hulman graduate.
