## About the Cover

The electrical-engineering photograph on the cover of this directory is a reminder about how technologies can change but Rose-Hulman's commitment to a hands-on education does not. Even though the equipment of today is more streamlined than the equipment in days past, Rose students continue to spend much of their time in laboratories. This undated photo appears to have been taken during the late 1940s or early 1950s.

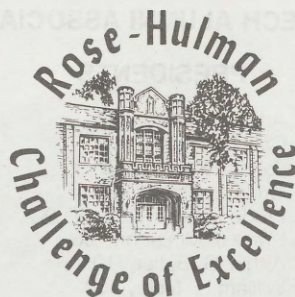

**Echoes (USPS 470700)** is published five times yearly, in March, June, September, November and December, by Rose-Hulman Institute of Technology, 5500 Wabash Ave., Terre Haute, Indiana 47803. It is published for alumni, parents of current students, faculty, staff, and friends.

Second class postage paid at Terre Haute, Ind. POSTMASTER: Send address changes to **Echoes**, Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, creed or national origin.

The Institute does not discriminate on the basis of handicap in admission, or access to, or treatment, or employment in its programs and activities.

## Placement effort still needs your help

The past year has been another success story of Rose alumni coming through to assist their alma mater. As you recall, the Institute asked alumni to assist in placing our graduating class. Your response was strong and many members of the Class of '86 are working their first jobs thanks to the men who have graduated before them.

The Class of '86 thanks you, the Placement Office thanks you, and the Class of '87 says not to let up this year. Once more we are asking for your help. It is only through the support of alumni that Rose can continue to maintain its position as a leader in placing its seniors in careers upon graduation. Very few schools can match Rose-Hulman's reputation and success rate for placing its graduates.

Although Rose continues to maintain a high placement rate, that goal has become more difficult to reach in recent years. Because of the trend of cutbacks by the larger employers, it is obvious that more Rose-Hulman graduates will be finding career opportunities in the smaller companies. Approximately 50 percent of the Class of '86 was employed in smaller companies who did not visit campus to recruit prospects. The majority of these placements were the direct result of alumni contacts with the Placement Office.

From what we have heard in the media and in discussions with our corporate friends, we do not see an easing in the economic situation for this year. There is no doubt that alumni will be needed once again to assist Rose-Hulman in placing the Class of '87.

Another area in which alumni can assist is with summer jobs for underclassmen. More and more, employers are giving the edge to the job seeker with experience. Summer jobs provide that vital background. They also provide a vital paycheck.

If you want to learn more about helping your alma mater with its career placement efforts, contact Bill Sisson at Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803, or call toll-free at 1-800-552-0725 inside Indiana or at 1-800-222-5000 outside Indiana.

Alumni of Rose-Hulman Institute of Technology continue to form a diverse group as shown by this annual Alumni Directory issue of Echoes. The following pages list more than 8,360 alumni, where they are and what they are doing.

While every effort is made to obtain the most up-to-date information through the annual alumni survey, not all listings in this directory will be completely accurate because of the tendency of Rose alumni to be men on the move. Each year approximately one-third of our alumni report a change in position, address or additional degrees.

Alumni finding information to be out-of-date or in error, are requested to correct this information and send it to Rose-Hulman by use of the business reply cards available in the back of this publication.

## Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper boy or the son of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. Rose-Hulman is one of America's best kept secrets, but with your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage paid referral card. Thanks for your assistance.
