About the Cover

The photograph on the cover is a reminder of how a Rose-Hulman student's room may be his home away from home, but it also is an important factor in his academic success. This photo, loaned from the Rose-Hulman archives, is undated, but it appears to have been taken during the 1930s or 1940s. Residence hall living has changed some in that time, but one Rose trait remains constant — hit the books.

Echoes (USPS 470700) is published five times yearly, in March, June, September, November and December, by Rose-Hulman Institute of Technology, 5500 Wabash Ave., Terre Haute, Indiana 47803. It is published for alumni, parents of current students, faculty, staff, and friends.

Second class postage paid at Terre Haute, Ind. POSTMASTER: Send address changes to *Echoes*, Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, creed or national origin.

The Institute does not discriminate on the basis of handicap in admission, or access to, or treatment, or employment in its programs and activities.

A comprehensive directory of distinguished men around the country and the world

Once again, Rose-Hulman brings you a directory of the most distinguished men in the country. The following pages list more than 8,600 Rose-Hulman alumni, where they are and what they are doing. Putting together this directory involved much cooperation from our alumni, and we appreciate your returning the survey questionnaires in a timely fashion.

While every effort is made to obtain the most up-to-date information through the annual alumni survey, not all listings in this directory will be completely accurate because of the tendency of Rose alumni to be men on the move. Each year approximately one-third of our alumni report a change in position, address or additional degrees.

Rose-Hulman is an educational leader in many respects, and this directory is no exception. We are one of the few colleges in the nation that provides an annual directory, free of charge. We also furnish a more comprehensive breakdown of alumni listings. You can look up your classmates alphabetically, by class year, and geographically. Also, we list businesses and institutions employing more than five Rose-Hulman alumni. Other listings include master's degree alumni, and former faculty and staff.

Keep us informed of your whereabouts. Many alumni use the directory for wedding invitations, Christmas cards, and for getting in touch about Homecoming. If your listing is not up-to-date, you are not only cutting yourself off from the school, you are cutting yourself off from your friends.

While we encourage interchange among alumni, the staff of Rose-Hulman does not allow its alumni lists to be used for commercial purposes. No outside agencies have access to our alumni lists. Your names and addresses are used only by the school and fellow alumni. We hope alumni using this directory would do so in a professional manner.

So, when you have a change in your life, let us know. Call it in, write it in or carry it in. We want you to have the most current record possible. Don't forget, you can also fill out the data cards in the back of this book or the information form that appears in every issue of "Echoes." If you want to phone in a change, you can do so toll free by calling 1-800-248-7448 outside Indiana or by calling 1-800-552-0725 inside Indiana. We look forward to hearing from you.

Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization, which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper boy or the son of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. With your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage-paid referral card. Thanks for your assistance.
