## About the Cover

Listed as the Rose-Hulman band in the archives, this group of musicians proved they were serious about their work. Hair styles place this photo in the late '60s or early '70s. The site is in front of Shook Fieldhouse.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, creed or national origin.

# A comprehensive directory of distinguished people around the country and the world

Rose-Hulman is proud once again to issue its annual alumni directory. This 1994 volume lists more than 9,000 Rose-Hulman alumni, where they are and what they are doing. We appreciate the alumni cooperation in the return of the survey forms.

For almost the past two decades, Rose-Hulman has provided the alumni directory free of charge to all alumni. We are doing so this year, but **future issues will be distributed only to those who donate to the Institute's annual fund.** Rising printing costs have made mass distribution a strain on our budget.

During a recent readership survey, we queried alumni about their interest and use of the directory. A total of 86.3 percent of the respondents listed the directory as useful or very useful. Sixty-six percent of the readers indicated a willingness to pay for the directory.

Rose-Hulman is an educational leader in many respects, and this directory is no exception. We are one of the few colleges in the nation that provides an annual directory free of charge. We furnish a comprehensive review of alumni. You can look up your classmates alphabetically, by class year, and geographically. Also, we list business and institutions employing more than five Rose-Hulman alumni. You also will find listings for former faculty and staff who served the college for many years.

Each alumnus' class listing carries his name, major, home address and work position. Abbreviations for majors are:

- AERO — Aeronautical engineering
- AO — Applied optics
- ARCH — Architecture
- BIO — Biological engineering
- CE — Civil engineering
- CH — Chemical engineering
- CM — Chemistry
- CO — Computer Engineering
- CS — Computer science
- EC — Economics
- EE — Electrical engineering
- MA — Mathematics
- ME — Mechanical engineering
- PH — Physics

Please note, AERO, ARCH and BIO are no longer offered as degree majors at Rose-Hulman.

Keep us informed of your whereabouts. Many alumni use the directory for wedding invitations, Christmas cards, and for getting in touch about Homecoming. If your listing is not up-to-date, you are not only cutting yourself off from the school, but are cutting yourself off from your friends.

While we encourage interchange among alumni, the staff of Rose-Hulman does not allow its alumni lists to be used for commercial purposes. No outside agencies have access to our alumni lists. Your names and addresses are used only by the school and fellow alumni. We hope alumni using this directory would do so in a professional manner.

So, when you have a change in your life, let us know. Call it in, write it in or carry it in. We want you to have the most current record possible. Don't forget, you can also fill out the data cards in the back of this book or the information form that appears in every issue of "Echoes." If you want to phone in a change, you can do so toll free by calling 1-800-248-7448 outside Indiana or by calling 1-800-552-0725 inside Indiana. We look forward to hearing from you.

## Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization, which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper boy or the son of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. With your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage-paid referral card. Thanks for your assistance.
