It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, creed or national origin.

The Institute does not discriminate on the basis of handicap in admission, or access to, or treatment, or employment in its programs and activities.

Vision to be the Best

Exciting changes are occurring at Rose-Hulman. The Commission on the Future of Rose-Hulman generated more than 100 recommendations regarding the assurance of our ongoing success. A committee of board members, alumni, administrative staff and faculty reviewed the recommendations and selected and prioritized the top 20 for implementation over the next five years.

The recommendations include new facilities, changes in curricula, expanded usage of computers and additional financial aid resources. You will hear more about these programs in the months ahead.

The implementations process of these recommendations will be the largest undertaking Rose-Hulman has ever attempted. To complete this task will require substantial external funding. Recognizing this need, the Board of Managers authorized the planning of a major fund-raising campaign named "Vision to be the Best." The campaign will last five years, concluding in 1999, the 125th anniversary of the founding of Rose-Hulman. Public announcement of the campaign is scheduled for the spring of 1995.

The highest priority in the campaign is raising four million dollars each year. This amount will provide the necessary financial aid resources to attract the best students, and also the funds to assist in meeting the annual operating needs of the school.

In preparation for the campaign, we are converting to a calendar year for gift accounting beginning in 1995. This means our annual fund will end on December 31, 1994, this year. The task before us in the short time period between now and December 31st is extremely challenging.

How can you help? During the 1993-94 fiscal years, which ended June 30, alumni contributions set a record of more than \$1,800,000. The Institute appreciates the gifts which helped make this possible.

As Rose-Hulman prepares to launch this major campaign, alumni participation is important. We look forward to your favorable and generous response when you are asked for your commitment to our "Vision to be the Best."

The Rose-Hulman family at your fingertips

The 1995 Rose-Hulman alumni directory provides the most up-to-date listing of more than 9,000 alumni, where they are and what they are doing.

The directory provides a comprehensive review of alumni data. You can look up your classmates alphabetically, by class year, and geographically. Also, we list businesses and institutions employing more than five Rose-Hulman alumni. You also will find listings for former faculty and staff who served the college for many years.

In the class listing area, alumni are listed by name, major, home address and work position. Major abbreviations are:

AERO - Aeronautical engineering
AO - Applied optics
ARCH - Architecture
BIO - Biological engineering
CE - Civil engineering
CH - Chemical engineering
CM - Chemistry
CO - Computer engineering
CS - Computer science

EC - Economics
EE - Electrical engineering
MA - Mathematics
ME - Mechanical engineering
PH - Physics

(Please note, AERO, ARCH and BIO are no longer offered as degrees at Rose-Hulman.)

While we encourage communication among alumni, the staff of Rose-Hulman does not allow its alumni lists to be used for commercial purposes. No outside agencies have access to our alumni lists. Your names and addresses are used only by the school and fellow alumni. We hope alumni using this directory would do so in a professional manner.

So, when you have a change in your life, let us know. Call it in, write it in, send it via e-mail or carry it in. We want you to have the most current record possible. You also can fill out the data cards in the back of this book or the information form that appears in every issue of "Echoes."

Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization, which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper carrier or the son or daughter of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. With your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage-paid referral card. Thanks for your assistance.
