About the Cover

This year's cover might be titled the "Old Home Place." It is a photo of the original home of the Institute. It was located at 13th and Locust streets in what is now the north central part of Terre Haute. The building served as home of the college until 1922 when it moved to its current site at the east edge of Terre Haute.

Echoes (USPS 470700) is published five times yearly, in March, July, September, November and December, by Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

Second class postage paid at Terre Haute, Ind., and additional offices. POSTMASTER: Send address changes to *Echoes*, Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, religion, sex, national origin, or disability.

The Institute does not discriminate on the basis of disability in admission, or employment in its programs and activities.

Vision to be the Best

The success of the "Vision to be the Best" campaign hinges on a strong rate of alumni participation. Last year, 43 percent of Rose-Hulman alumni made a financial contribution to the college. Such a rate is the envy of many other institutions of higher education. However, for Rose-Hulman to achieve its vision to be the best in undergraduate engineering and science education, our alumni participation rate must continue to grow. A goal of 50 percent has been set for "Vision to be the Best."

The alumni giving percentage is not just for bragging rights. It plays a big role in how successful the college is in seeking and obtaining funds from corporations and foundations. The Olin Foundation recently awarded a \$3.5 million gift to Rose-Hulman to expand Olin Hall for eight new classrooms. One of the factors that helped secure that gift was Rose-Hulman's strong alumni giving rate. As other foundations are approached about supporting Rose-Hulman financially, the alumni giving rate will be one of the criteria they use in making award decisions.

The reason alumni giving is important to philanthropic organizations is that it proves to them that the college has value to those who know it best. They take the mind-set that if alumni won't support the college, why should they? It's a practical point that makes your giving to Rose-Hulman so important.

We need your dollars and your company's matching gift, but in measuring alumni support, what is important is the fact that you do give. People have a variety of demands on their time and money. Not everybody can give mega-dollar gifts, and we understand this. We do ask that you support our "Vision to be the Best" at the appropriate level of your capability.

For more information about how you can play a role in "Vision to be the Best," contact Ron Reeves in the development office at 812-877-8219.

The Rose-Hulman family at your fingertips

The 1996 Rose-Hulman alumni directory provides the most up-to-date listing of more than 9,000 alumni, where they are and what they are doing.

The directory provides a comprehensive review of alumni data. You can look up your classmates alphabetically, by class year, and geographically. Also, we list businesses and institutions employing more than five Rose-Hulman alumni. You also will find listings for former faculty and staff who served the college for many years.

In the class listing area, alumni are listed by name, major, home address and work position. Major abbreviations are:

AERO - Aeronautical engineering
AO - Applied optics
ARCH - Architecture
BIO - Biological engineering
BE - Biomedical engineering (master's)
CE - Civil engineering
CH - Chemical engineering
CM - Chemistry
CO - Computer engineering
CS - Computer science
EC - Economics
EE - Electrical engineering
EV - Environmental engineering
MA - Mathematics
ME - Mechanical engineering
PH - Physics

While we encourage communication among alumni, the staff of Rose-Hulman does not allow its alumni lists to be used for commercial purposes. No outside agencies have access to our alumni lists. Your names and addresses are used only by the school and fellow alumni. We hope alumni using this directory would do so in a professional manner.

So, when you have a change in your life, let us know. Call it in, write it in, send it via e-mail or carry it in. We want you to have the most current record possible. You also can fill out the data cards in the back of this book or the information form that appears in every issue of "Echoes."

KEEP UP VIA THE WORLD WIDE WEB

You can now check up on alumni happenings through the internet's World Wide Web. The Rose-Hulman web site address is <http://www.rose-hulman.edu>. Once you hit the college's home page, click on the Alumni Affairs listing. When you visit your page, let us know what other items you would like to see on it. In addition to alumni activities, the Echoes alumni newspaper is now on the web. It can be accessed at the Rose-Hulman site through the publications listing.

Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization, which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper carrier or the son or daughter of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. With your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage-paid referral card. Thanks for your assistance.
