## On the cover

One of the first real-world engineering projects many alumni have in common is construction of the annual Homecoming bonfire. As shown in this 1987 photo, the bonfire definitely is a team project.

*Echoes* (USPS 470700) is published five times yearly, in March, July, September, November and December, by Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

Periodicals postage paid at Terre Haute, Ind., and additional offices. POSTMASTER: Send address changes to *Echoes*, Rose-Hulman Institute of Technology, 5500 Wabash Avenue, Terre Haute, IN 47803.

It is the policy of Rose-Hulman Institute of Technology to admit students on the basis of their academic ability. Rose-Hulman does not discriminate with regard to race, color, religion, sex, national origin, or disability.

The Institute does not discriminate on the basis of disability in admission, or employment in its programs and activities.

## The Rose-Hulman family at your fingertips

The 1998 Rose-Hulman alumni directory provides the most up-to-date listing of more than 9,000 alumni, where they are and what they are doing.

The directory provides a comprehensive review of alumni data. You can look up your classmates alphabetically, by class year, and geographically. Also, we list businesses and institutions employing more than five Rose-Hulman alumni. You also will find listings for former faculty and staff who served the college for many years.

In the class listing area, alumni are listed by name, major, home address and work position. Major abbreviations are:

- AERO - Aeronautical engineering
- AO - Applied optics
- ARCH - Architecture
- BIO - Biological engineering
- BE - Biomedical engineering (master's)
- CE - Civil engineering
- CH - Chemical engineering
- CM - Chemistry
- CO - Computer engineering
- CS - Computer science
- EC - Economics
- EE - Electrical engineering
- EV - Environmental engineering
- MA - Mathematics
- ME - Mechanical engineering
- PH - Physics

While we encourage communication among alumni, the staff of Rose-Hulman does not allow its alumni lists to be used for commercial purposes. No outside agencies have access to our alumni lists. Your names and addresses are used only by the school and fellow alumni. We hope alumni using this directory would do so in a professional manner.

So, when you have a change in your life, let us know. Call it in, write it in, send it via e-mail or carry it in. We want you to have the most current record possible. You also can fill out the data cards in the back of this book or the information form that appears in every issue of "Echoes."

## Rosie's Recruiters

We want you to join Rosie's Recruiters. In order to become a member of this highly selective organization, which does not collect dues nor hold lengthy meetings, all you have to do is refer the name of a potential Rose-Hulman student to the Admissions Office. The student may be a relative, neighbor, friend, your paper carrier or the son or daughter of a business associate. The Admissions Office needs your assistance in identifying high school juniors and seniors as prospective students for Rose-Hulman. If you will provide us with the names and addresses, we'll send these students the appropriate literature. With your help we can get the word out about the quality of our educational program and very special campus environment. Join Rosie's Recruiters today! Become a part of our admissions effort. For your convenience, please use the adjacent postage-paid referral card. Thanks for your assistance.
