### Recommended Citation

Rose-Hulman Institute of Technology, "1985 Modulus" (1985). *Modulus (Yearbooks)*. 90.  
<https://scholar.rose-hulman.edu/modulus/90>

Disclaimer: Archived issues of the Rose-Hulman yearbook, which were compiled by students, may contain stereotyped, insensitive or inappropriate content, such as images, that reflected prejudicial attitudes of their day--attitudes that should not have been acceptable then, and which would be widely condemned by today's standards. Rose-Hulman is presenting the yearbooks as originally published because they are an archival record of a point in time. To remove offensive material now would, in essence, sanitize history by erasing the stereotypes and prejudices from historical record as if they never existed.

This Book is brought to you for free and open access by the Rose Modulus at Rose-Hulman Scholar. It has been accepted for inclusion in Modulus (Yearbooks) by an authorized administrator of Rose-Hulman Scholar. For more information, please contact [weir1@rose-hulman.edu](mailto:weir1@rose-hulman.edu).

# HOMECOMING 1984

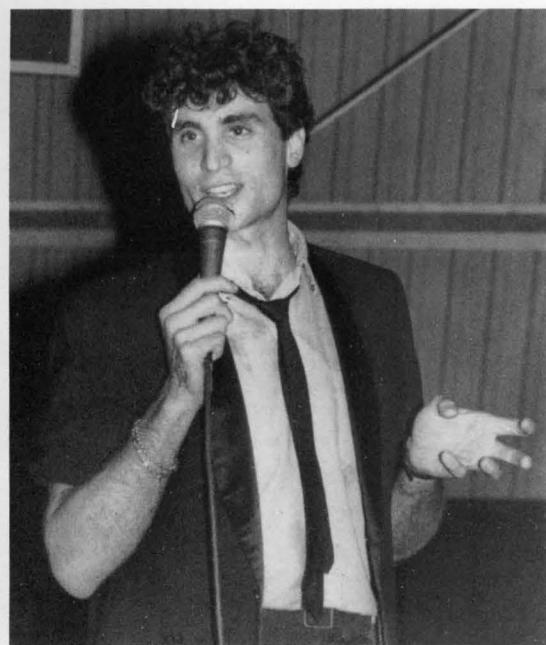

The 1984 Homecoming Queen Candidates were (from top left, around outside of page): Chris Brady (Delta Sigma Phi), Maria Jimenez (Sharpenberg Hall), Chandra Corey (Alpha Tau Omega), Lynne Phillips (Commuters), and Jerrie Bowman (Lambda Chi Alpha), Chris Brady was crowned Homecoming Queen at the pep rally.

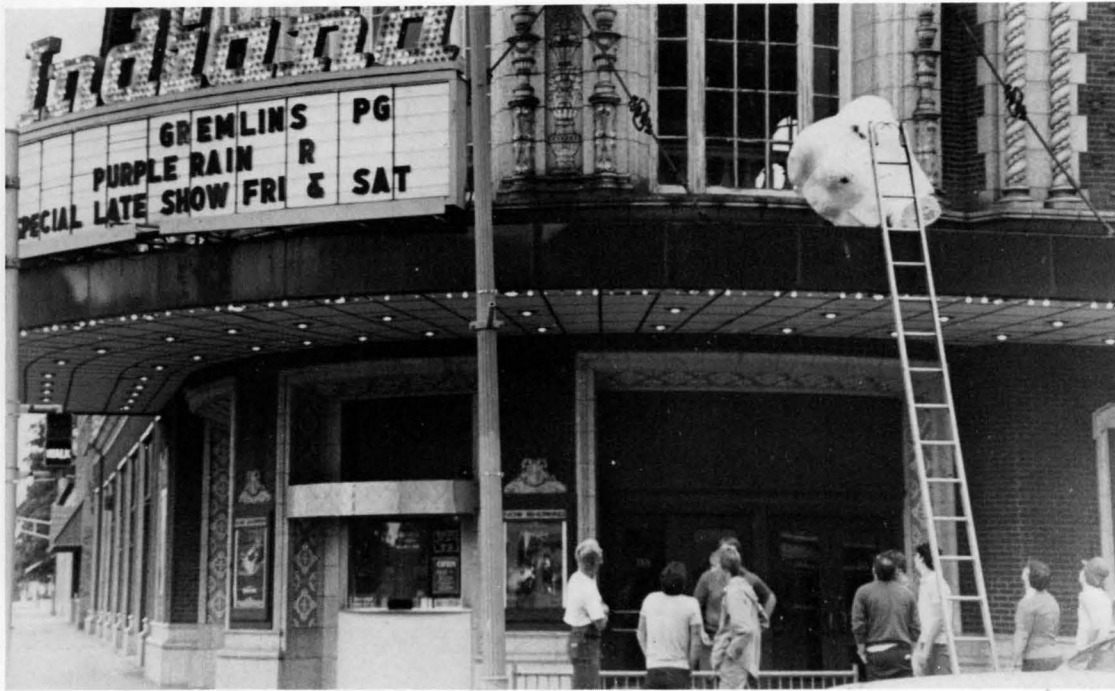

1984 Homecoming Entertainment: Big band music was provided by Big Band Machine while Paul Provenza provided an enjoyable comedy routine at the Homecoming Concert. Chris Brady was crowned Homecoming Queen. The Rose-Hulman Cheerleaders led the pep rally the night before the big game. The men of Fiji won the cheering contest, while athletic trainer Til Panaranto moved his feet to the Big Band beat.

The Freshmen learned so  
 Rose-Hulman traditions the h  
 way. The Sophomores were v  
 helpful though. They took Rosie  
 a drink at the pond, and then l  
 to see "Purple Rain" at the Indi  
 The Sophomores also helped  
 Freshmen wash the ties in  
 Creek. Despite all of the Sophom  
 help, the Freshmen had Rosie  
 the bonfire ready for a blazing g  
 time.

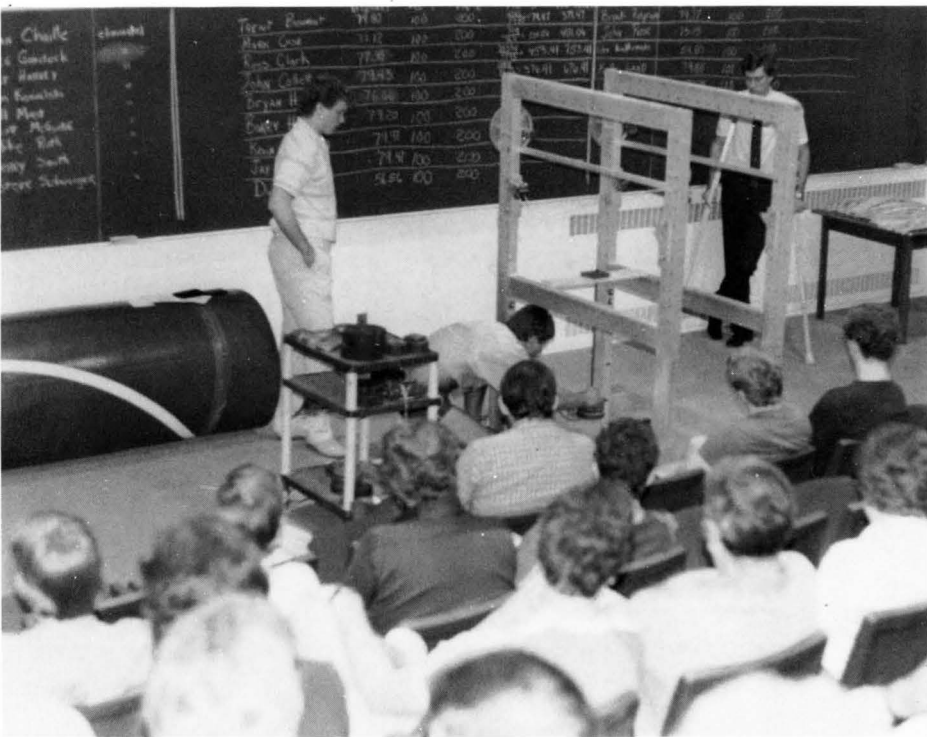

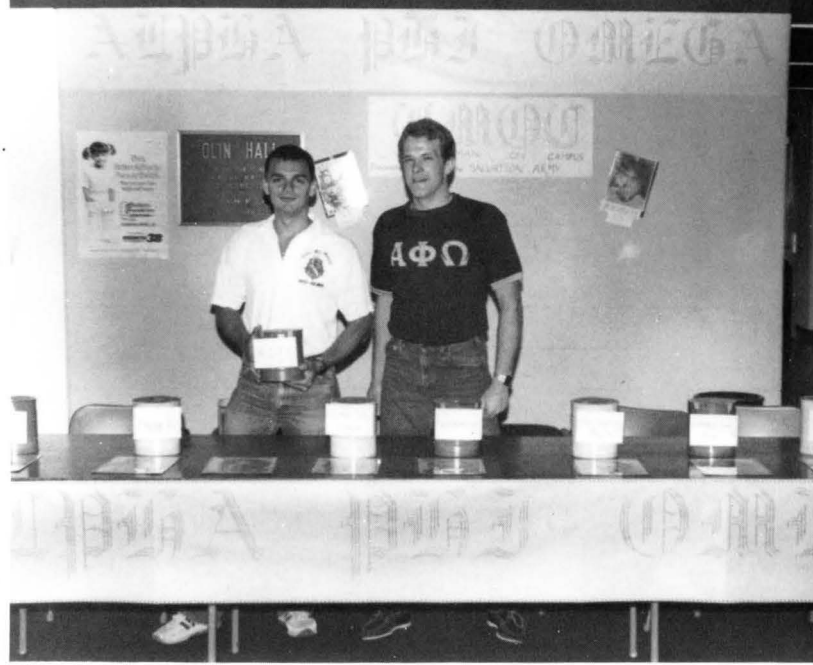

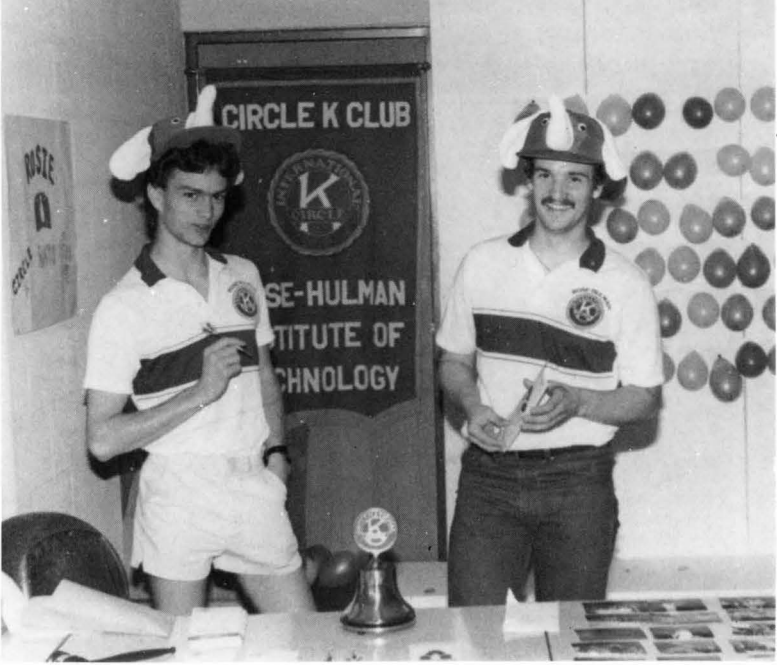

This year's Springfest was another great success for the Student Activities Board which sponsors the day long musical event. Springfest opened with the jazz band consisting of Rose-Hulman students playing various Blues Brothers songs. Then at 12:30 Clarian took over the stage with a great performance. Clarian had been billed as the best band in Indianapolis, and they proved to Rose-Hulman why. Then at 2:30 The Late Show made its encore performance with their soft rock. Then at 4:00 was the famous Air Band Contest, and all of this—FREE!

The Rose Show allows students to present projects they have been working on both in their classes and on their own. Shown here are Circle K's stand, A P's Ugly Man on Campus, the bridge busting contest, and some rappelling.

Several projects were presented by students in all areas. Included here are chemiluminescence, fencing, concrete canoe, computer controlled chess, and the Chemical Engineering display.

The 21st annual Greek Games were held this year on Sunday, April 28, 1985, topping off the Parents' Day-Rose Show Weekend. The Games, sponsored by the Inter Fraternity Council, consisted of the cart race, followed by the canoe race, the obstacle course, a surprise event, the pyramid building, the tug of war, the songfest, and then the presentation of the trophies. Lambda Chi Alpha once again took the overall trophy.

Rose-Hulman is known for its devoted staff. Taking time out of their busy schedules are top row, from left: Glenn Heidenreich, Paulette Irwin, and Maureen Nichols; second row: Frances Fletcher, Billie Holechko, Connie Poe, and Jan Brown; and third row: Connie DeGroot, Kathy Gambill, Ronda Ames, Barbara Garvin, and Phyllis Proctor.

# Phonathon '85

1985 was the third year for the annual Alumni Phonathon. The Phonathon is held the sixth week of spring quarter at Indiana State University's Statesman Towers. Students of Rose-Hulman call alumni all over the United States trying to increase the alumni participation percentage. Last year Rose-Hulman's alumni had a participation percentage of 51.3% which helps Rose-Hulman get gifts from major corporations who see that the alumni believe in the school. Rose's 50+ percentage puts it in the top 25 colleges and universities across the nation in that category. Before the phonathon, the participation was around 40%, now it is staying around 50%.

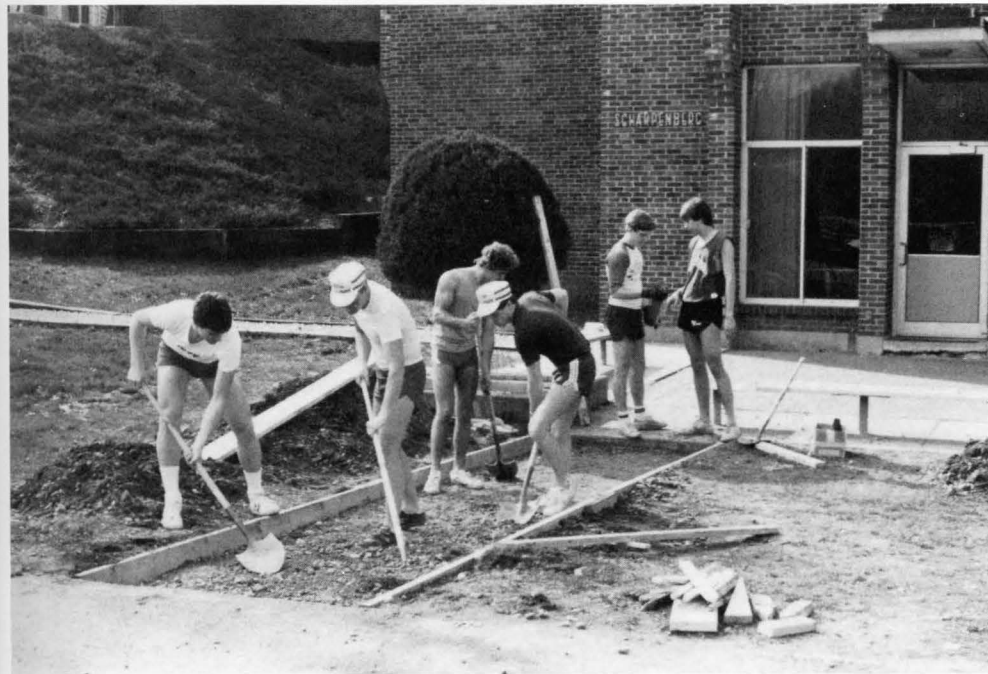

The phonathon is organized by the Student Development Council assisted by Vice President of Development Ron Reeves, Director of Alumni Affairs Jim Schwartz, and Student Chairman Bob Mattingly.

1985 was the first year for what is hoped to be an annual Campus Clean-Up Day. Students from various organizations gathered at the maintenance building for supplies and a free painter's hat at 8:30 a.m. April 13. Nearly 350 students participated in the operation which featured two roasted pigs for lunch. Some of the activities shown here were laying a sidewalk at B.S.B. Hall, raking leaves around the campus, and planting trees.

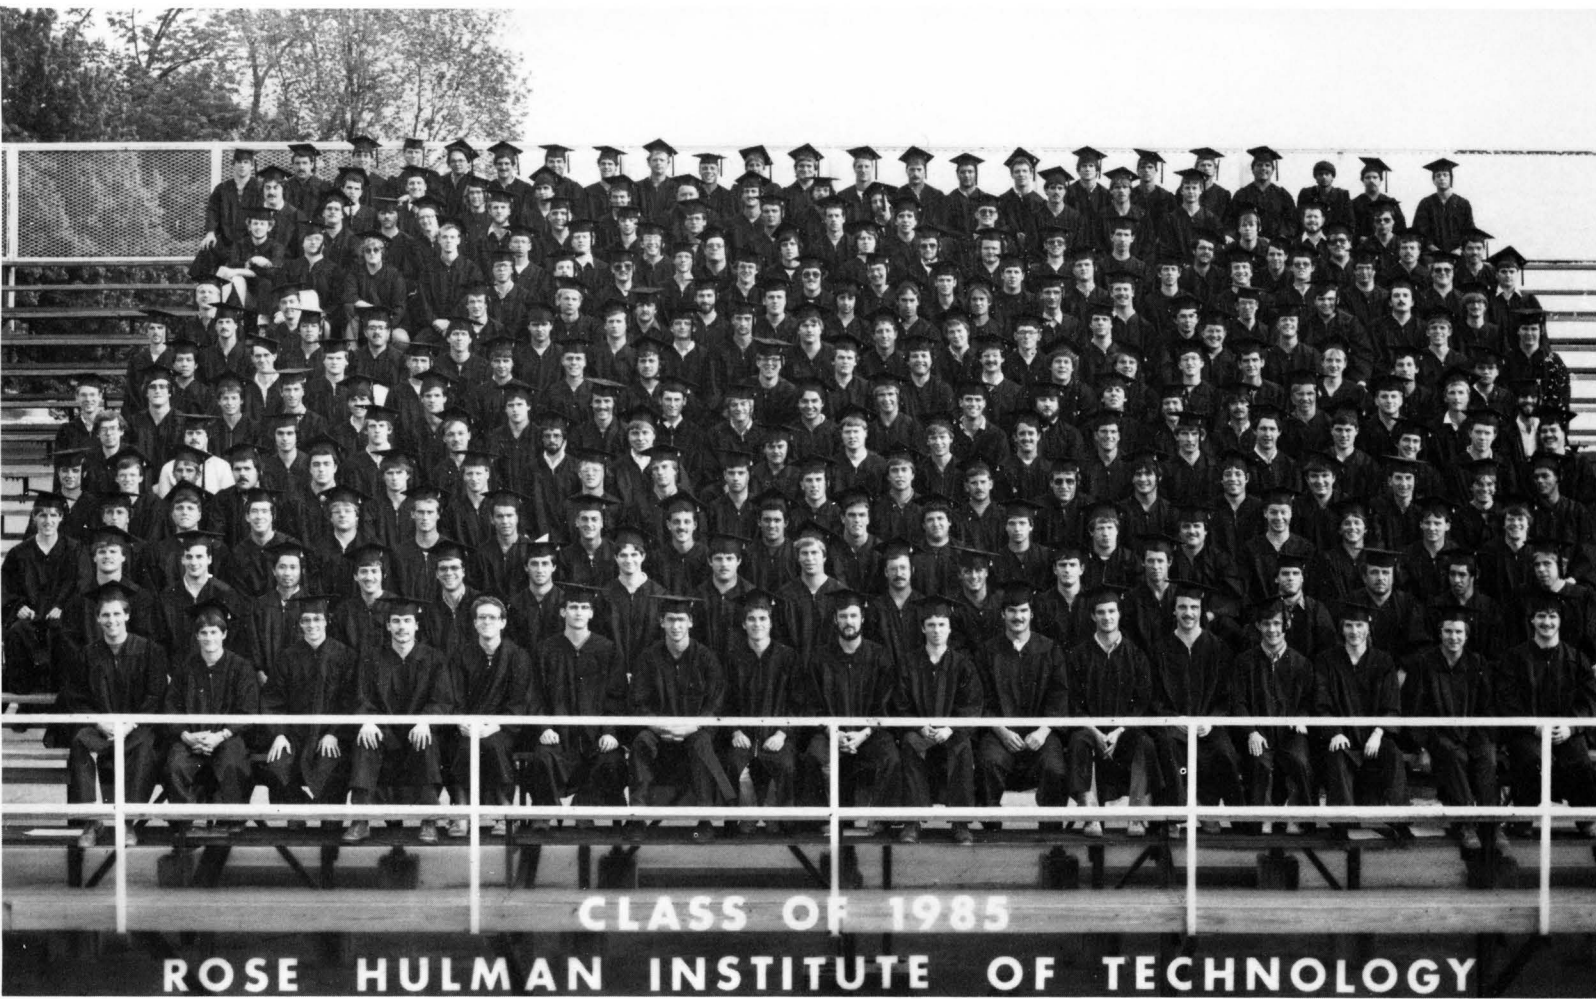

A R A provided the picnic type lunch while W M H D provided music to the entire campus. Other activities shown here were building a Bar-B-Que pit, painting lines on parking lots, laying a sidewalk at Sharpenberg Hall, and adding sand to the Rose-Hulman beach.

**CLASS OF 1985**  
**ROSE HULMAN INSTITUTE OF TECHNOLOGY**

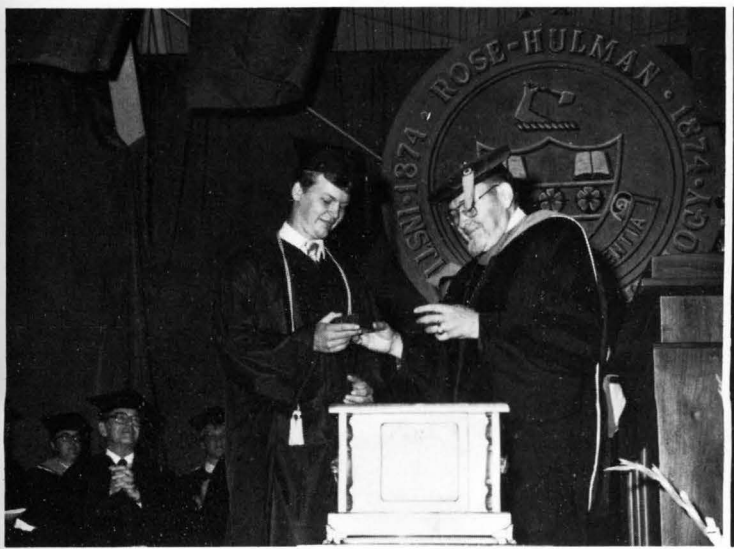

First row, left to right: Larry Romine, Mike Buccieri, Greg Sharp, Greg Howearth, Jim Sales, Mark Bormann, Richard Deitch, Rick Stamper, James Peck, Franz Leider, Ed Olin, Walter Rosenberger, John Knoch, Eric Schwartz, Dan Burch, Robert Burch, Gary Parker; Second row: Mike Patterson, Ron Hall, Hoang Ly, Bill Seyfried, Martin Green, Eric Ellis, Bill Lorenz, Kevin Jeffries, Ron Stark, Rob Osika, Randy Karvanek, Guy Etheridge, John Perkins, Baron Gemmer, Stacy Himes, Lars Ho-tseung, Dave Trepanier; Third row: Tom VanderLaan, Ron Mahan, Clark Jenney, Bill Thomas, Larry Mathias, Glen Bridwell, Rob Schaeffer, Gene LeBoeuf, Steve Nerney, Elio Oradei, Curt Wehrley, Todd D'Orazio, Steve Fulwider, Keith McConnell, Cliff Schnellinger, Bill Tiedman, Joe Didelot, Jon Evans, Greg Cullen; Fourth row: Kyle Farmer, Jim Grimshaw, Stan Smith, Steve Varner, Brad Bentley, Scott Cornelius, Dave Beil, Mike Taylor, Alan Carty, Brian Dawson, Les Duellman, Kike Knecht, Bob Fessenden, Bryan Jones, Matt Hardman, Doug Lewis, Mike Tatlock, Kerry Lightly, Gerald Roberts; Fifth row: Jan Loisch, Mark Jones, Tom Sliwa, Kevin Donovan, John Rohlfing, Corwin Moore, Randy Wallace, Don Humphrey, Don Childress, Scott Tradup, Gary Whiteman, Sean Kendinger, Gayle Johnson, Dave Smith, Brian Ivey, Jeff Scott, Tony Burnett; Sixth row: Dan Smith, Charles Busenberg, Gary Mills, Bill Waggner, Morgan Tharp, Lazlo Bardos, Dave Franklin, Harlan Applegat, Brian West, Ben Vorhees, Paul Vaughn, Roy Carlsgaard, Drew Karnick, Duwain Ake, Dave Cramer, Jim Vennard, Stewart Sullivan, Reed Adams, Mark Adams, Greg Prewitt; Seventh row: Yuan-Hsiang Lei, John Weigel, Greg Chapman, Bret Small, Garth Ash, Jeff Gilbert, Mark Federle, Don Thornton, Greg Howell, Mark Thoreson, Dave Demeter, Tom Freeman, Fred Cook, Jeff Cotman, Max Pabia;

Eighth row: Greg Ilich, Dave Phelps, Thien Nong, Luis Bogran, Erich Teske, Dan White, John Hesford, Jon Pelland, Rich Leonard, Sean O'Shaughnessey, Douglas Koeneman, Rich Moore, Pete Gibbons, Chris McBride, Brian Millard, Jeff Johanson; Ninth row: Scott Tyring, Atilio Carbo, Bill Bandy, Eric Emhuff, George Bauer, David Goy, Mark Parsons, Chris Piedmonte, Andy Lenze, Joel Schneider, Norman Lesch, Mike Daniel, Pete Krstanovski, Joe Edwards, Larry Wood, Frank Stur, Scott Spelman; Tenth row: Paul Johnson, John Weis, Bob Schryler, Loren Cook, Brian Herr, Chris Wilcox, Tony Dennis, Chris McGill, Jim Oswald, Geoff Lange, Carl Bledsoe, Dan Borkowski, Tim Eubanks, Gene Marsh, Brad Prichard, Wayne Cockrell; Eleventh row: Joe Talaious, Troy Mazely, Rob Jacoby, Erik Schneckloth, Brian Harmon, Mark Gebert, Jim Clark, Brian Porterfield, Steve VanSlyke, Dan Simonson, Mike Bryan, Bob Patti, Pete Bolakowski, Doug Seekins, Doug Byre, Scott Oblander, Bruce Ley, Doug Mason; Twelfth row: Scott Haney, Paul Vencio, Clay Crocker, Chris Teegarden, Wayne Heffner, Jerry Rominger, Steve Sauer, Dave Freese, Thomas Cain, Adam Bliven, Brett Weems, Paul Skarpness, Scott Sizemore, Joe Xavier; Thirteenth row: Ron Strickley, Scott Jenkins, Doug Jackson, Brad Peterson, Kurt Johnson, Bob Hopkins, Eddie Beal, Dave Smith, Mike Sundheimer, Phil Moore, Tim Marquart, Tom Slater, Paul Barloon; Fourteenth row: Joe Rauch, Greg Ottinger, Dave Booher, Mike Cain, Robert Cox, Paul DePompei, Chris Dezelan, Duncan Gilmore, Jeff Greer, Jack Grote, Mark Janson, Joe Heister, Tony Moshak, Gary Pohl, Mike Ritz, Kyle Stanford, Roger Vandersnick, Harry Westerkamp, Earl Wiggins, Bob Wilson, Muke Solank, Buford Wright, Gary Helmrich.

Commencement award winners were: Jack Grote (John Tuller Royce Award), top left; Dr. Jeffrey Froyd (Dean's Outstanding Teacher Award), in photo directly above; Doug Byrer (Herman A. Moench Commendation), left photo; and Paul Barloon, bottom left, and Bryan Harmon, bottom right (Co-winners of Heminway Gold Medal with 4.0s.)

# Is There Life After Graduation?

The job interview is one of the most important senior activities.

When the hoopla of commencement was over and the caps and gowns were put away, where did the Class of '85 go? The answer is everywhere.

Once again, the Rose-Hulman graduate proved to be a very sought after person with 400 company interviewers converging on campus during the 1984-85 school year. Members of the Class of '85 were sought by industry, government and the nation's leading graduate schools. The average number of interviews per student was 17.

The average yearly salary for engineering graduates was a handsome \$27,000 according to William W. Sisson, director of placement and corporate relations. Science majors attracted an average salary of \$28,400 a year.

General Motors was the most successful recruiter as it landed 27 men, more than 10 percent of the class. The U.S. Naval Weapons Support Center at Crane, Ind., hired 15 graduates while Cummins, Dow, Ford, General Electric, Illinois Department of Transportation, Pratt & Whitney, Proctor & Gamble, Rockwell International, Software Consultants, Texas Instruments, Union Carbide, Westinghouse, and U.S. Naval Avionics each hired four or more from the Class of '85.

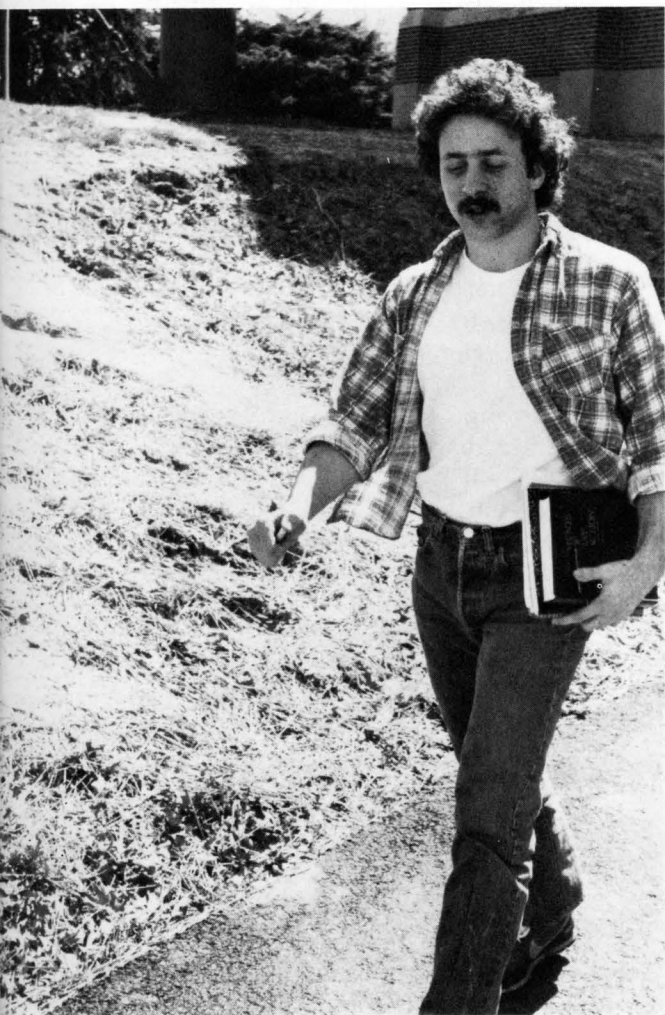

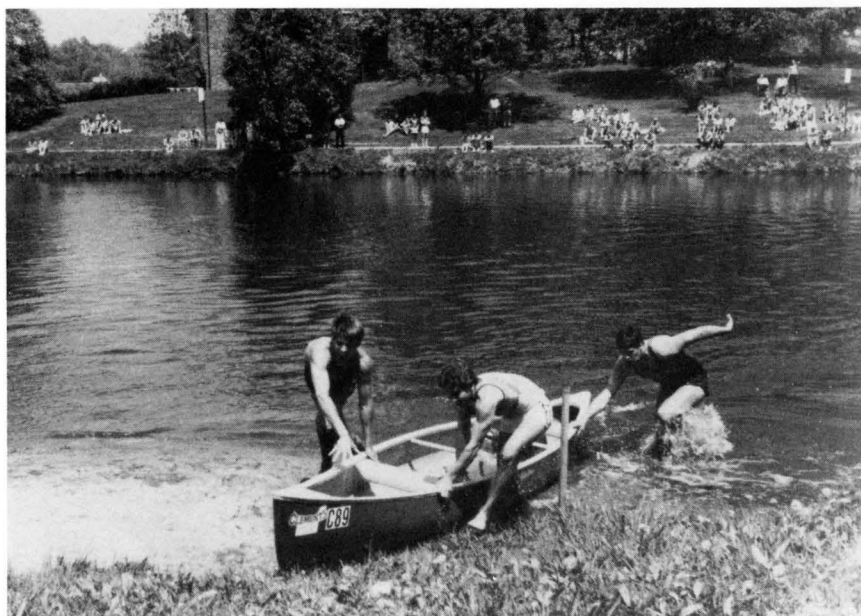

Included among the other 65 companies and corporations hiring the guys from '85 were: Applied Computing Devices, Alcoa, Allen-Bradley, B & A Electric, Bemis, Caterpillar, Cessna Aircraft, B. F. Goodrich, Hewlett Packard, IBM, Johnson Controls, Magnavox, McDonnell Douglas, Motorola, NASA, the National Security Agency, and Square D Company.

Approximately 15 percent of the class went directly on to graduate school on a full-time basis. Schools attended included: Clemson University, University of Illinois, University of Iowa, Indiana University Medical School, Massachusetts Institute of Technology (MIT), Northwestern University, Ohio State University, Rice University, Rose-Hulman, University of Southern California, Virginia Polytechnic, and Washington University.

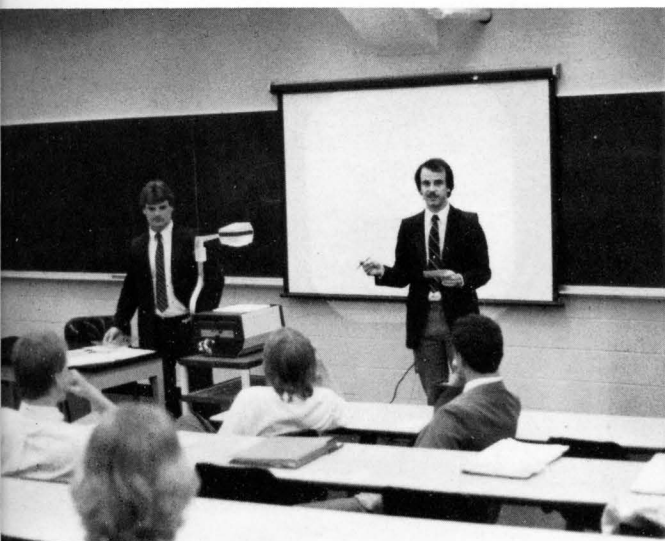

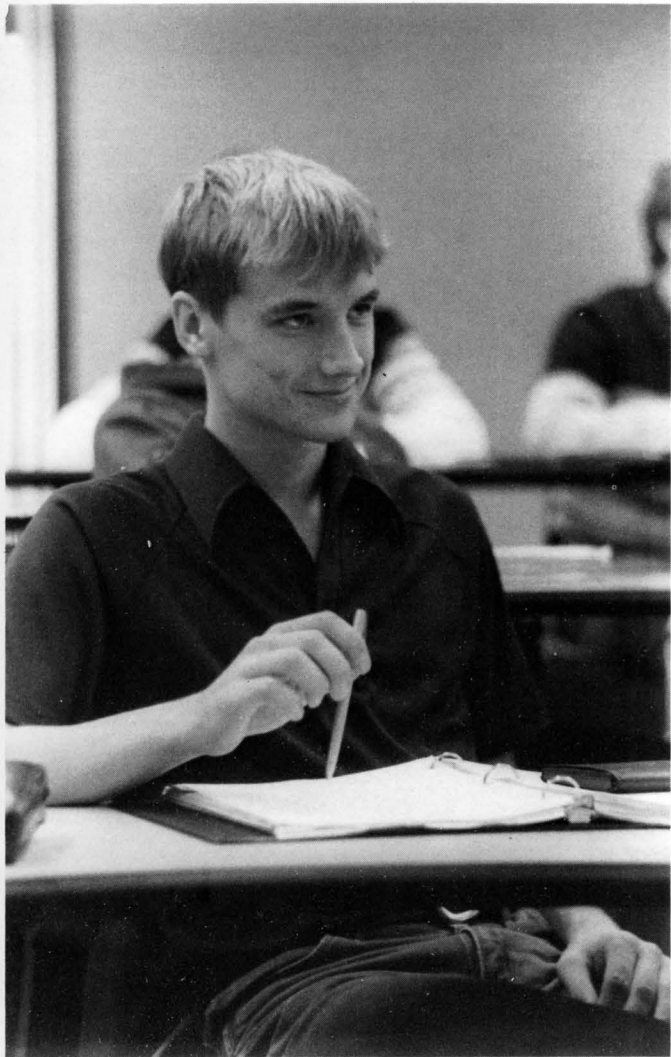

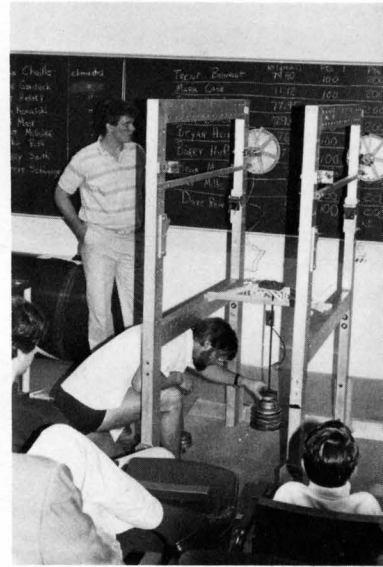

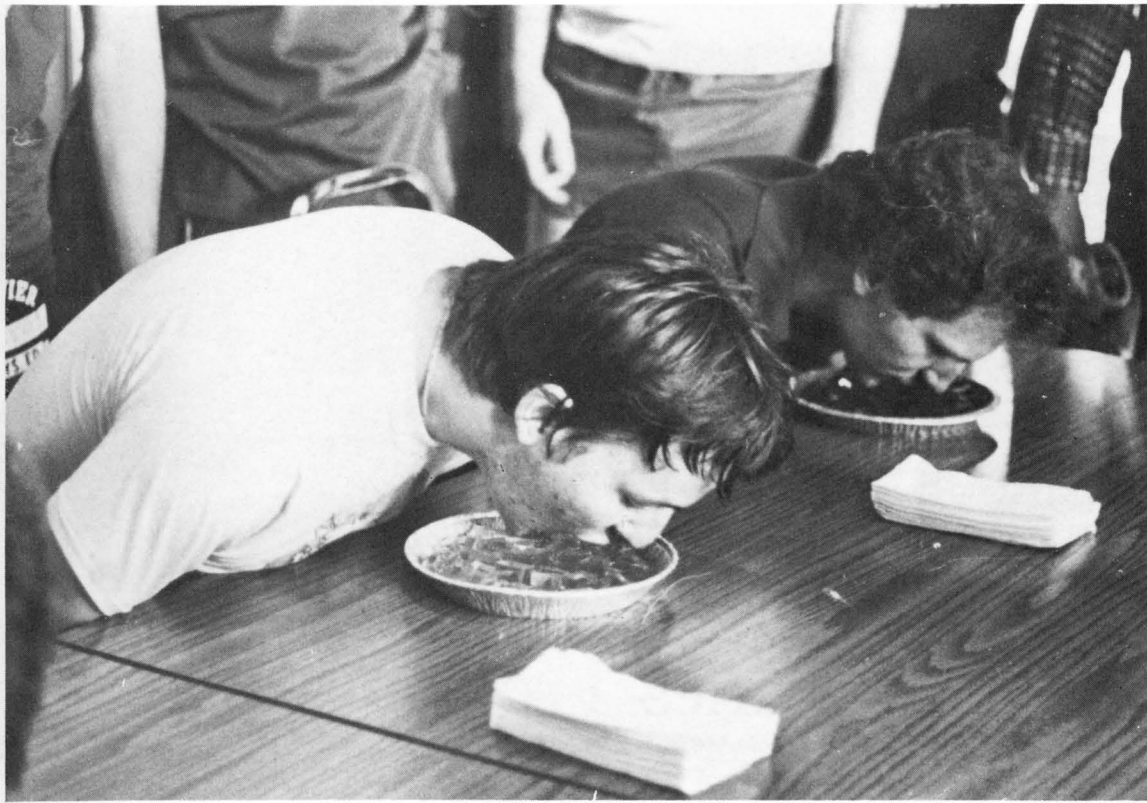

Personnel representatives from around the country visit Rose-Hulman.

## Maintenance

A grainy, black and white photograph of a group of people, possibly in a meeting or organizational setting. The image is heavily textured and appears to be a scan of a printed document. The word "ORGANIZATIONS" is overlaid at the bottom in a white, serif font.

ORGANIZATIONS

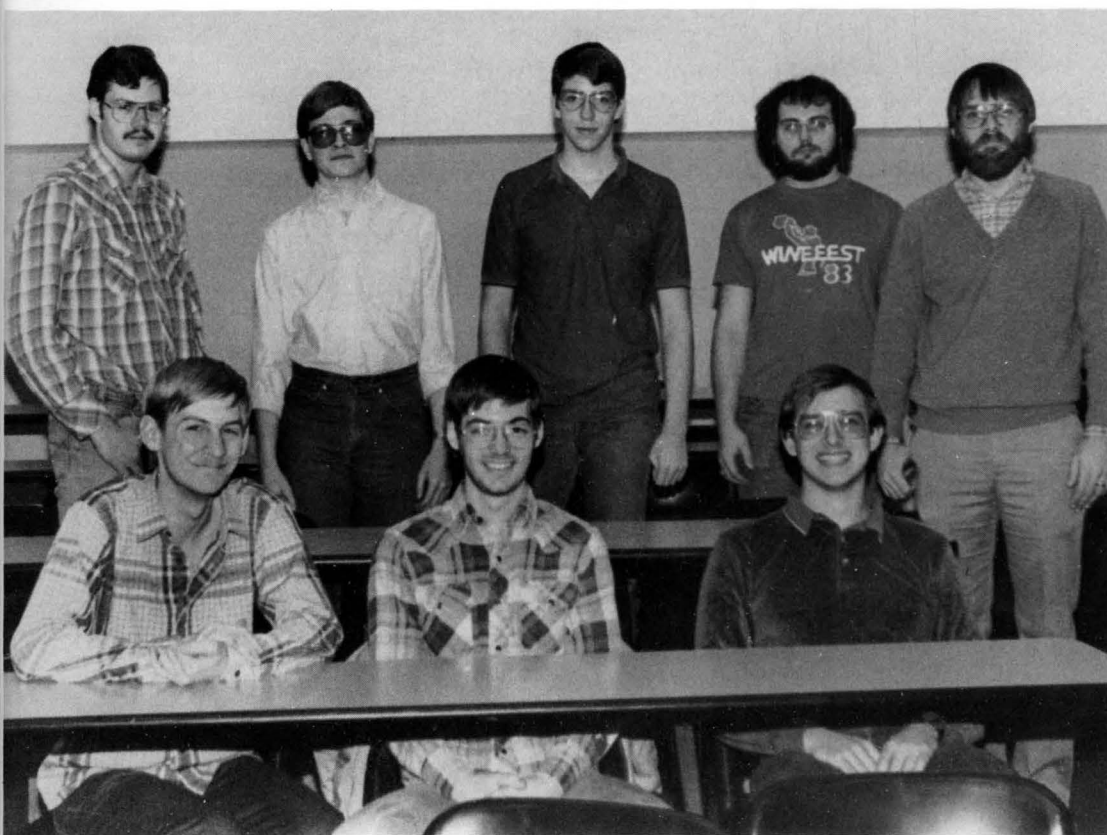

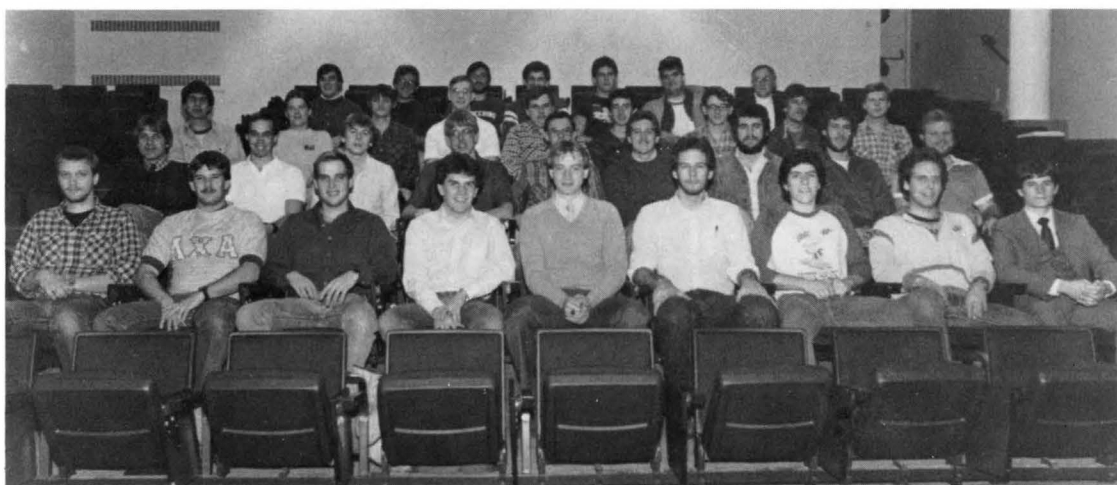

# ASCE

The American Society of Civil Engineers offers to all students in the civil curriculum an opportunity to broaden themselves in their future profession. It enables the student to meet with practicing civil engineers in the area, thereby allowing them to come in contact with professional ethics and attitudes.

# ASME

The purpose of the American Society of Mechanical Engineers is to provide the student with an organization through which he may gain a better understanding of real world engineering and begin to participate in activities related to engineering. In addition, ASME provides the ME Dept. with a student organization through which it may plan and implement various extracurricular programs.

# Physics Club

The Physics Club seeks to supplement classroom instruction and research and to serve as a vehicle of communication between physics students and the faculty. The club sponsors seminars, organizes field trips, shows films and publishes an annual journal.

# Band

The Rose-Hulman Band provides an opportunity for students to continue to pursue fulfillment through musical performance. The pep band performs at all home basketball and football games. The jazz band performs concerts at area schools and jazz festivals.

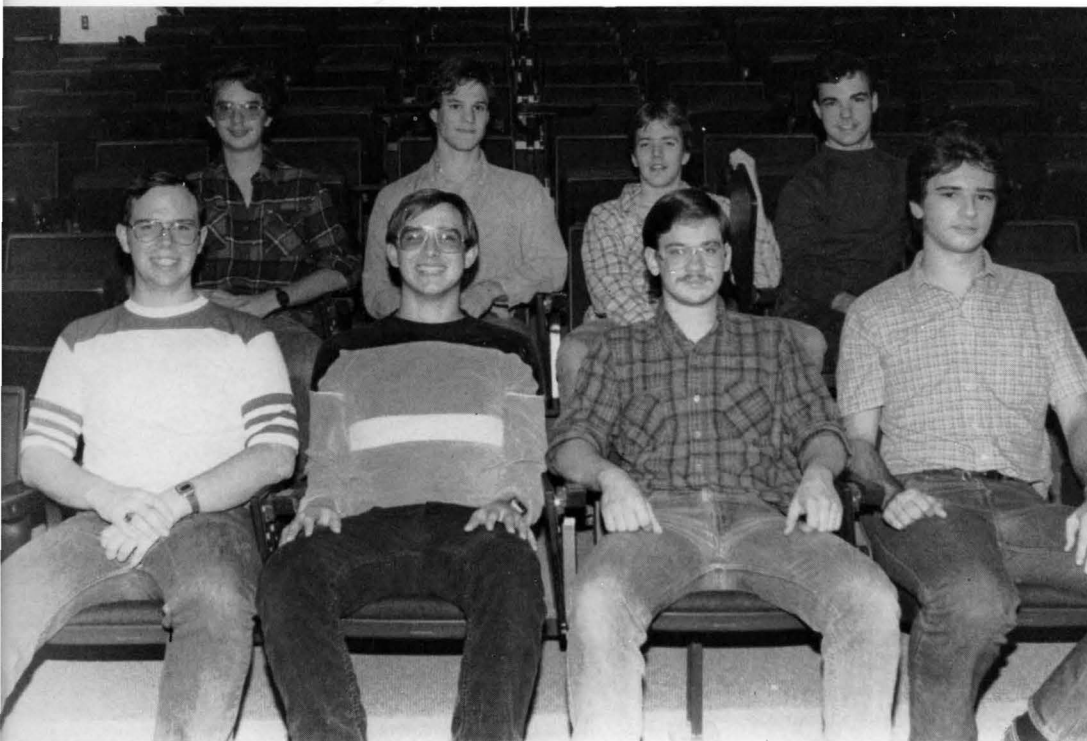

# Blue Key

The Blue Key National Honor Fraternity was founded on the belief in God and a dedication to support and defend the United States. It stresses high scholastic achievement and service through leadership in student affairs. At Rose-Hulman, Blue Key is one of the most active honoraries on campus. Each year, Blue Key organizes Homecoming events and the Parent's Day—Rose Show weekend. Informal meetings with the school's faculty and administration are held so that Blue Key members may openly discuss the problems and future of Rose-Hulman.

# Camera Club

The purpose of the Camera Club is to serve the photographic needs of its members. A well-equipped, black-and-white darkroom is available as well as a very modern color darkroom. The camera club activities include photo workshops and an art display.

# Chess Club

This year was an active one for the chess club. Along with the usual in-club tournaments, it also hosted a nationally ranked tournament and participated in the Pan-Am Intercollegiate Chess Tournament. The Pan-Am tournament is the most prestigious college chess event in North America and was held this year in Kitchner, Canada. Two teams from Rose (each team consisting of four members) competed against more than 60 colleges and universities from across the continent. The varsity team defeated Mercy College, Rensselaer Polytechnic Institute, and Waterloo University en route to capturing first-place honors in the small college division. The members of the winning team included Dave Repanier, Andy Carter, Jack Dunham and Chris Wernimont.

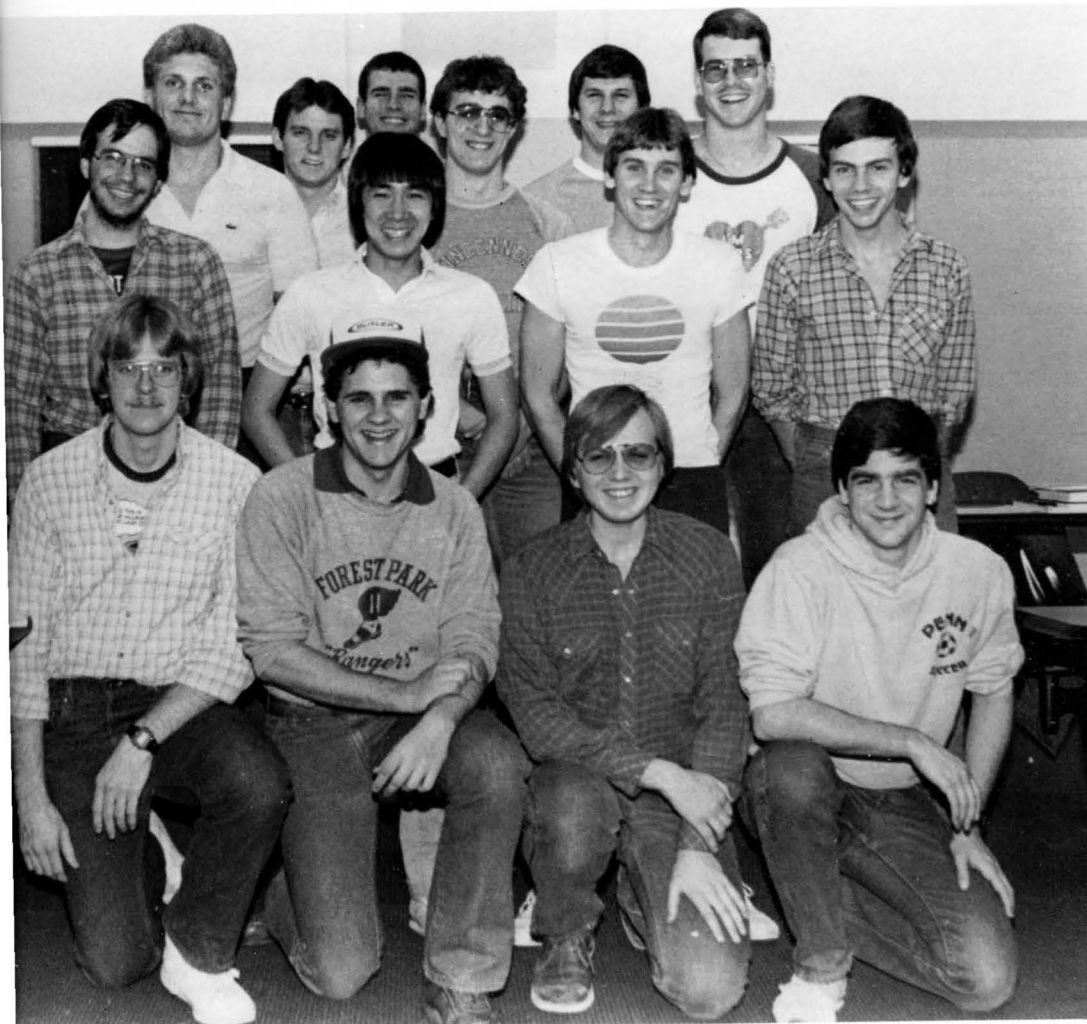

# Circle K

Circle-K is a service organization emphasizing service to the community and school. It is sponsored by Kwanis International which helps bridge the gap between Rose students and the business society. Circle-K promotes leadership and social development, and instills ideals of good citizenship and professional principles.

# Flying Club

The flying club was organized to give people with an interest in aviation a chance to share their interest with others. It does a wide variety of activities each year. Activities this past year included a free ground school, club-sponsored flights over Terre Haute, a visit to the Air National Guard, and a trip to the Wright-Patterson Air Force Base Museum in Dayton, Ohio. The club also invites people from the Terre Haute area to lecture on aviation-related topics. Reduced rates on plane rentals and flight instruction are available through the club at a nearby airport.

# Racing Club

The Racing Association allows students to examine the high performance aspects of automobiles—engine building and rebuilding, testing and racing. The club races a Buick Regal and a mini baha vehicle. Activities include weekly movies, racing the vehicles, a Road Rally Series, and a Society of Automotive Engineers Project.

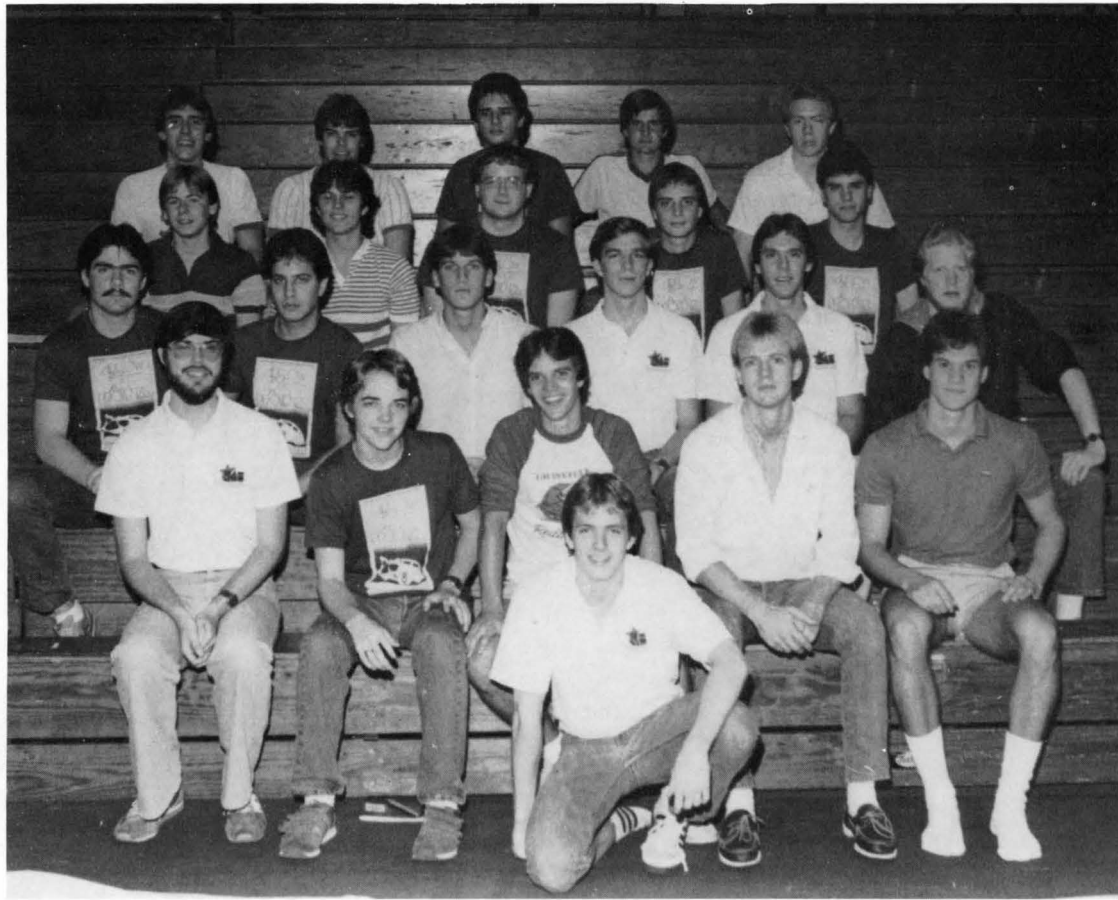

# RCF

The purpose of Rose Christian Fellowship is threefold: Evangelism—to lead others to personal faith in Christ as Lord and Savior; Discipleship—to help Christians grow toward maturity; Missions—to present the call of God to the worldwide mission of the church. R C F begins the year with a recreational bonfire. Action groups are organized in each hall and meet regularly. Daily prayer meetings and chapter meetings provide the core of large group fellowship.

# SAB

A branch of the Student Government Association, the SAB is a vital part of student affairs in that this group is responsible for planning, coordinating, and implementing a wide variety of events and activities of interest to all students of the Institute. Convocations, coffee-house performances, dances, and special events such as the homecoming concert are within the domain of this important group.

# SGA

The Student Government Association, under the leadership of the President of the Student Body, exercises general control over clubs and organizations receiving SGA funds. The Congress is composed of elected representatives from the various living units. The Student Court, together with the Congress and the Executive Branch, furnishes a complete student government.

# Thorn

The Rose Thorn is the weekly newspaper of Rose-Hulman. The Thorn affords the student an opportunity to express his thoughts, ideas, and criticisms on all aspects of student life. Approximately twenty-eight issues are published each academic year (one each week). In addition the Thorn sends representatives to the Indiana Collegiate Press Association conference and has an annual awards dinner. The Thorn also offers an annual subscription for the parents of Rose-Hulman students, as well as anyone else interested in the Institute.

## WMHD

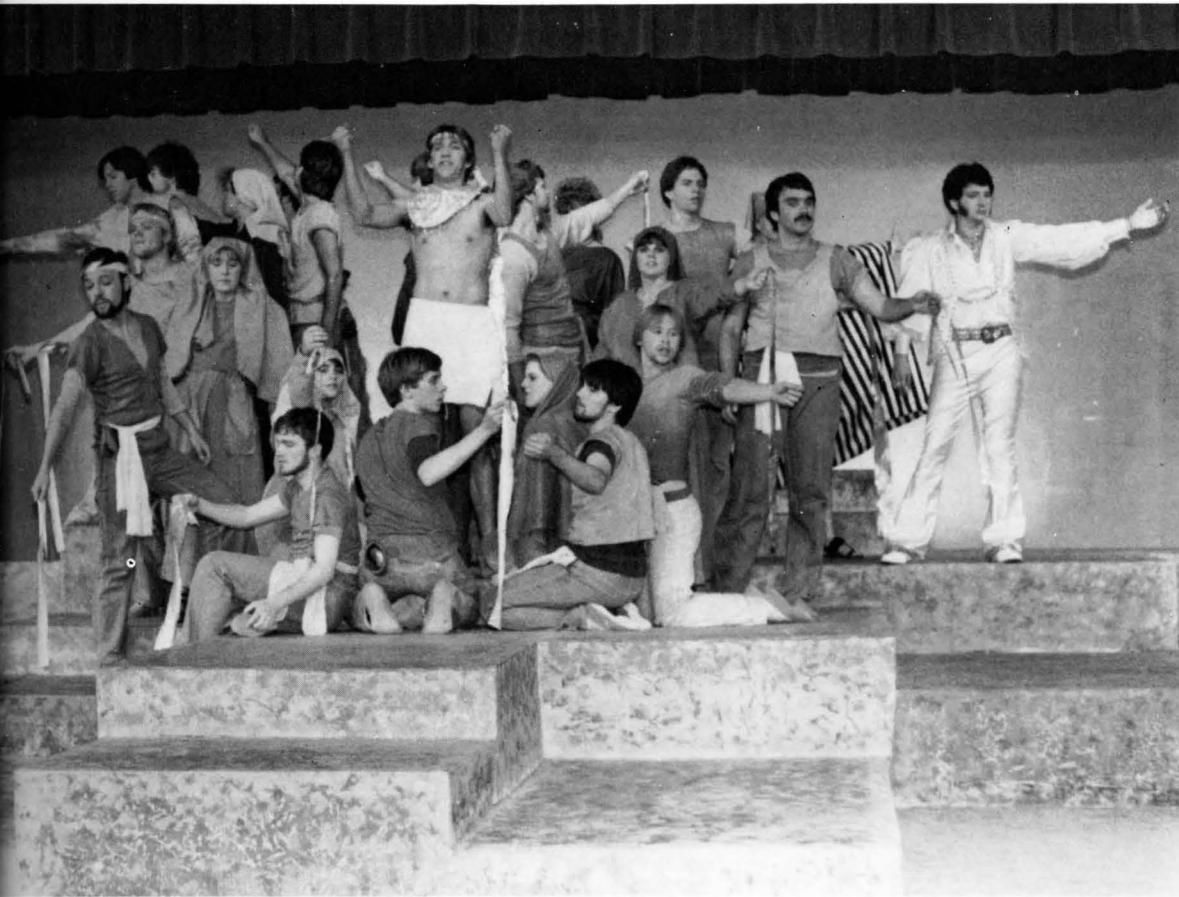

The men of WMHD are completely responsible for the continuous operation of the Rose-Hulman radio station. We broadcast 150 watts (erp) at 90.5 MHz, and our facilities are located in the basement of BSB Hall. Numerous opportunities are available for the energetic student: studio recording, live recording/PA, production of recorded programs, software construction and maintenance, studio construction and maintenance, all facets of news/sports/current events reporting, not to mention being a disc jockey and playing the best music in Terre Haute. WMHD—Where Music Has Dimension.

# the Rose Thorn

# Drama Club

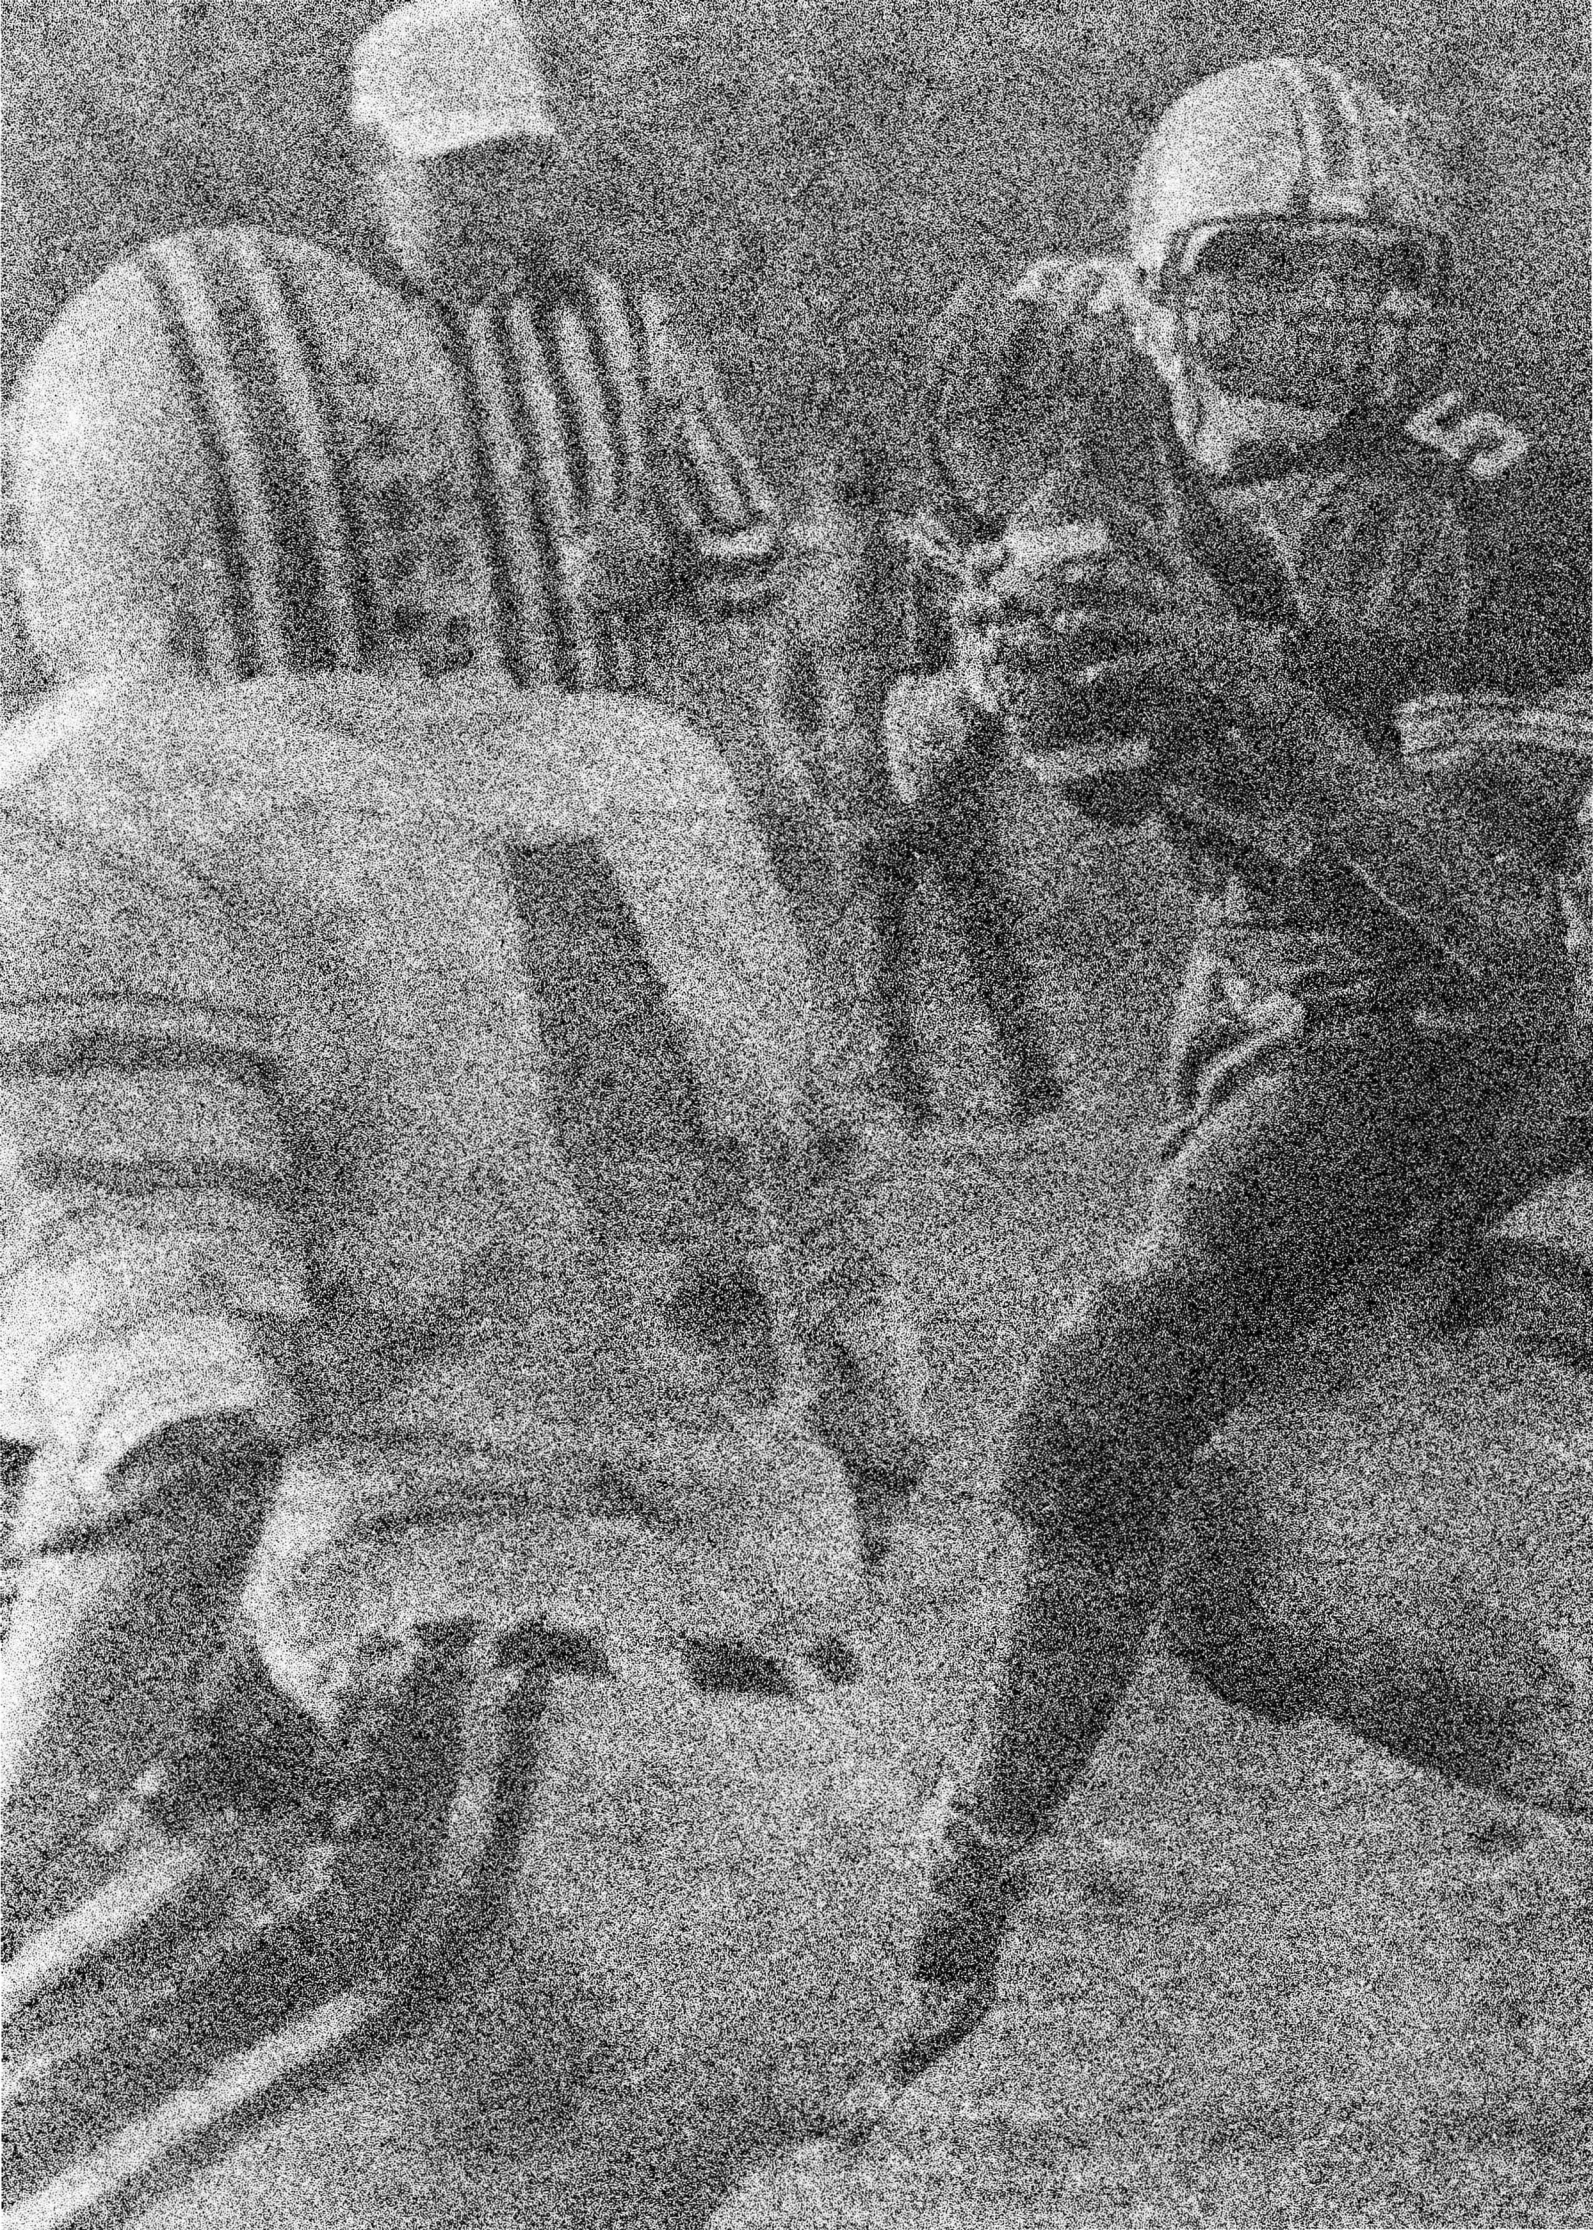

The Drama Club had a banner year as they presented an unprecedented four productions: "Death by Arrangement," the club's first dinner theatre "Grande Openings," "The Invention," and the marvelous finale "Joseph and the Amazing Technicolor Dreamcoat."

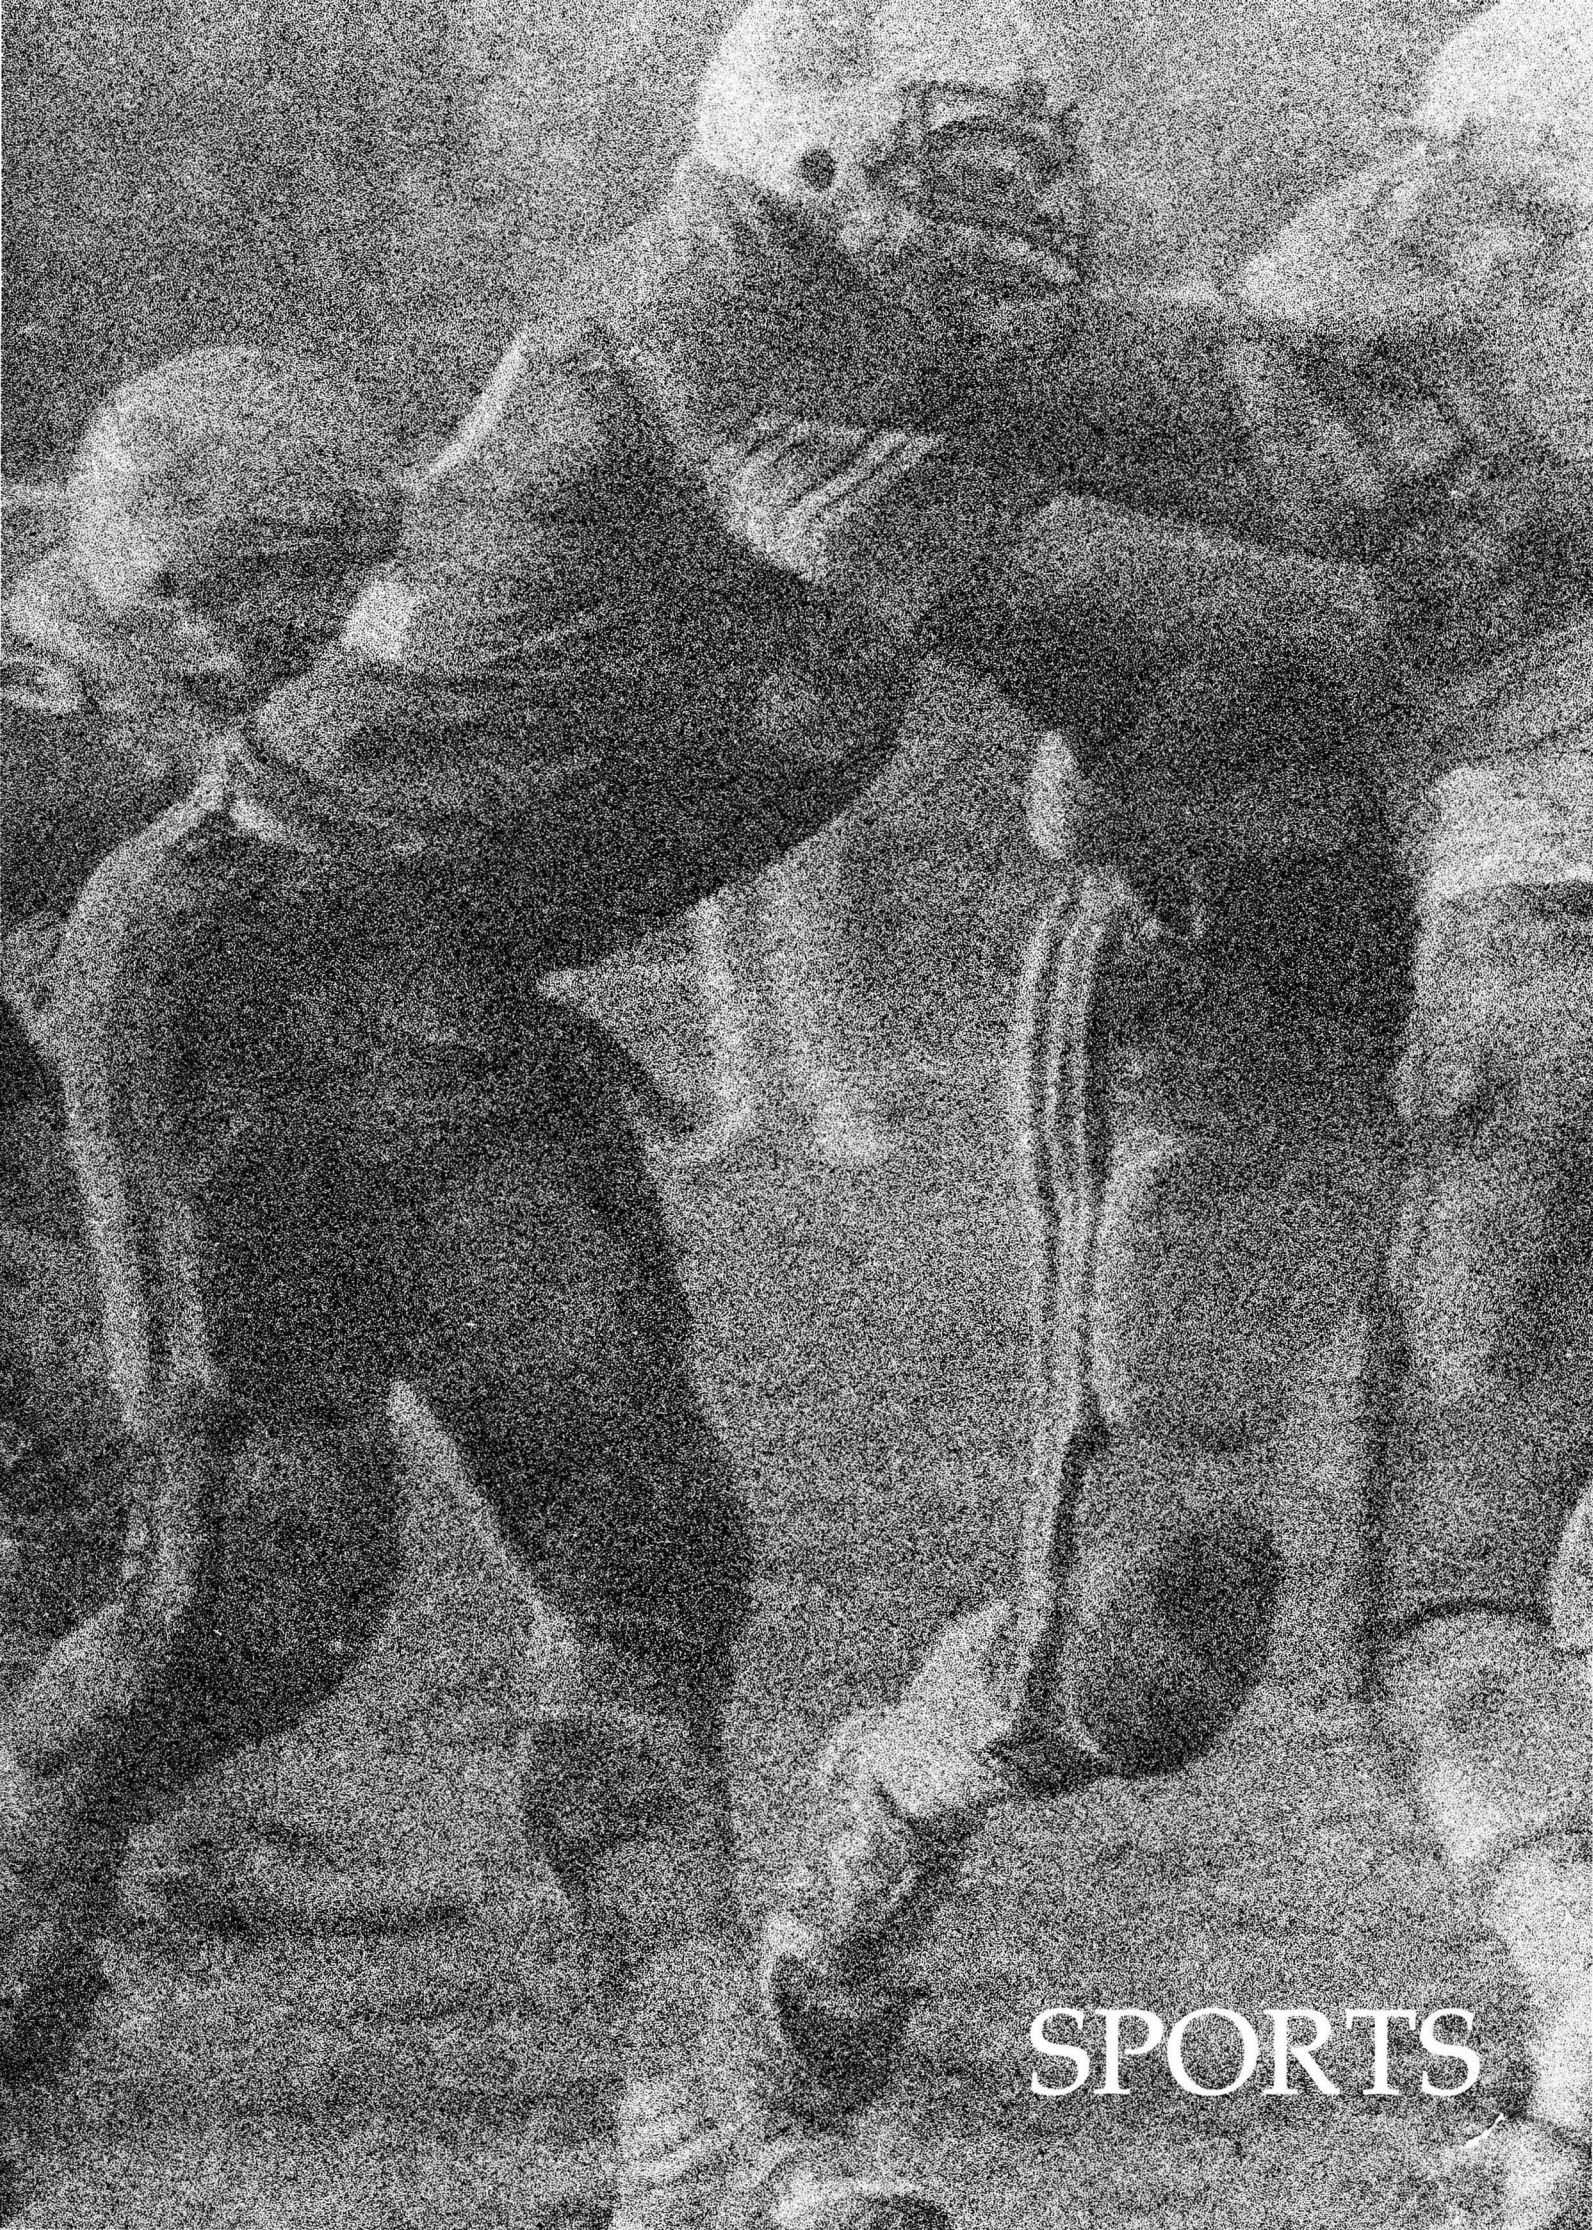

# Honor Key

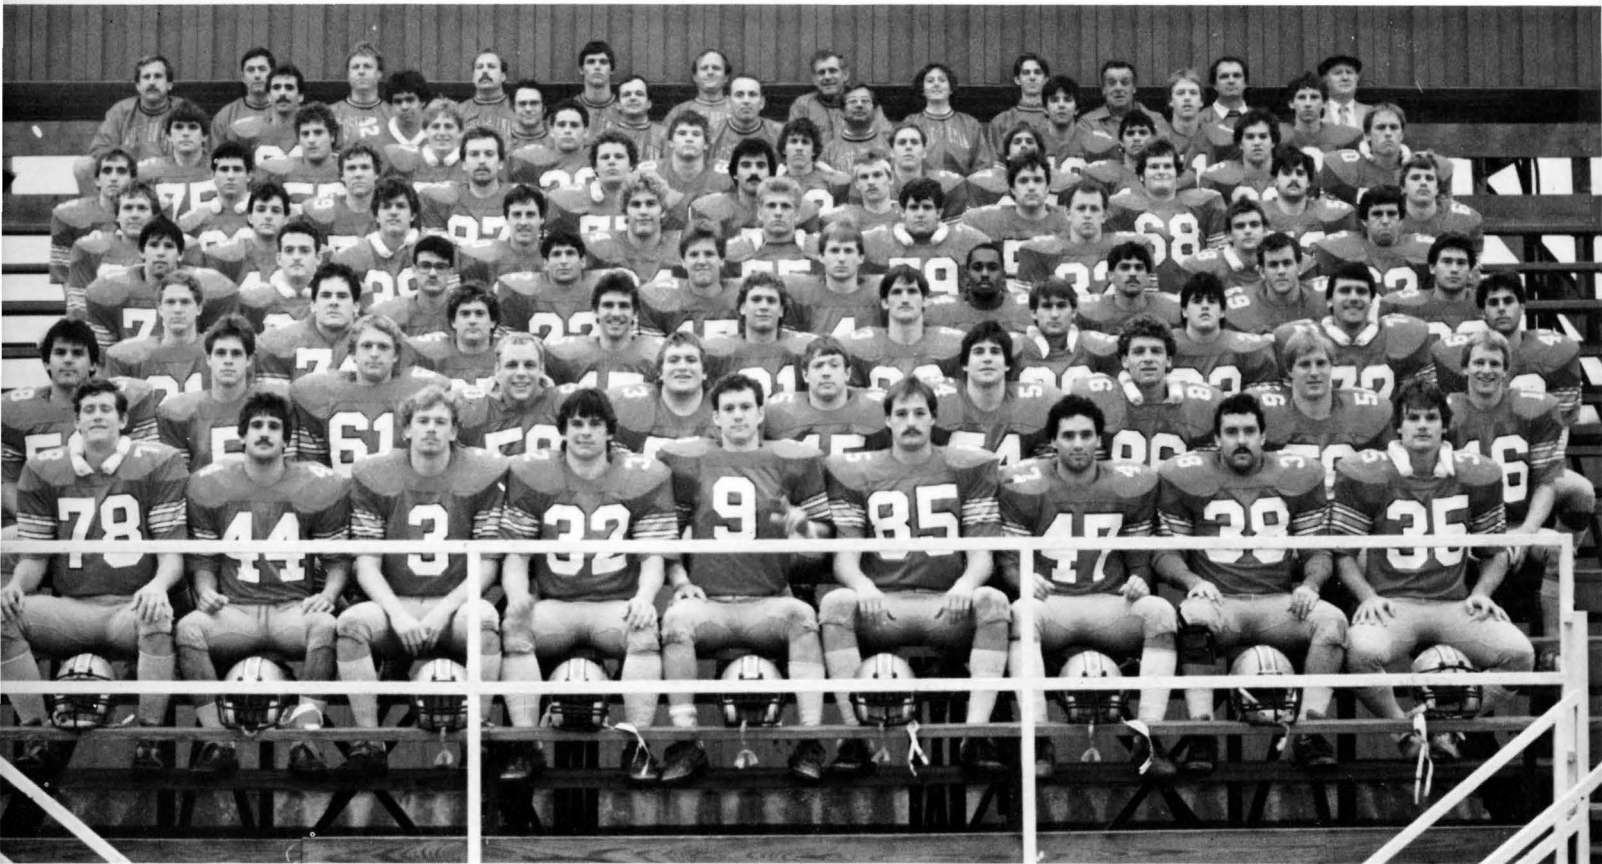

Honor Keys are awarded annually by the student Government Association to students recognized as outstanding student leaders in student organizations. Winners of these awards are active in more than one major organization. The 1985 Honor Key winners pictured here are, seated (L to R) David Cramer, Muke Solanki, Brent Repp, Kyle Farmer, Owen Strawn; standing, Tom Vorjohan, Tim Marquart, Pete Bolakowski, Dave Strelow, Jason Hanson, Dale Schnarr, Barry Peterson, Stan DeHoff, Jeff Scott, Bill Sears, Derek Anderson.

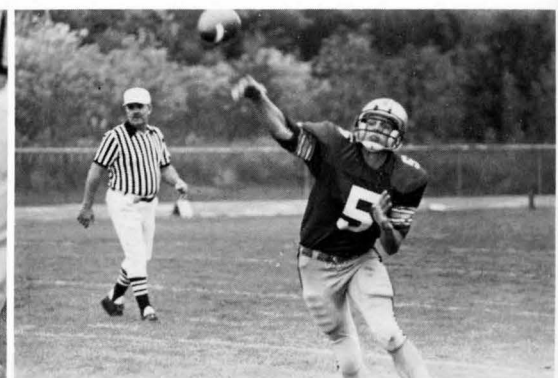

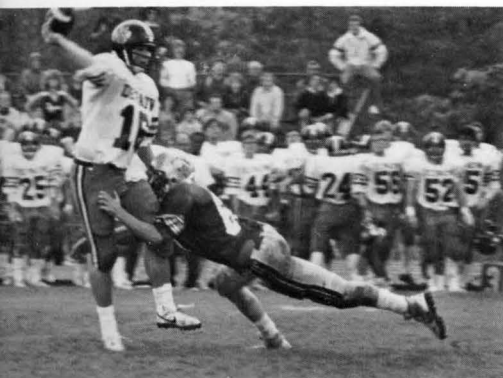

SPORTS

1984 Football—Row 1: Chuck Busenburg, Paul DePompei, Earl Wiggins, Joe Rauch, Mike Cain, Gary Pohl, Mike Ritz, Greg Ottinger, Mike Patterson. Row 2: Rob Wilson, Duncan Gilmore, Jeff Greer, Jack Grote, Joe Heister, Keith McConnell, Roger VanDerSnick, Kyle Stanforth, Tony Moshak, Dave Beil. Row 3: Rob Gislason, Bob Nordyke, Vern Vannostran, Chip Ray, Jim Tausch, Bill Sears, Gil Keller, Jim Crumley, Dave Redding, Don Hirt. Row 4: Ed Sahli, Gene Harding, Grant Sharp, Brian Cavagnini, Larry Greene, Greg Ankney, Howard Scott, Scott Pfaff, Paul Romanetz, Phil Meiss. Row 5: Tom Hawk, Todd Griffith, Steve Swanson, Tim Rauch, Frank Primich, Trent Bennett, Tim Nale, Jay Mills, Mark Mayfield, Bruce Fenimore. Row 6: Rob Freeman, Brian Backus, Scott Tanquary, Herb Bailey, John Kantner, Dennis Wallen, Bob Parker, Neal Clevenger, Chris Osborn, Dave Suder, Greg Gondeck. Row 7: Mike Duregger, Chris Szaz, Doug Ankney, John Collett, Kurt Gobreski, Bill McKinney, Kirk Dawson, Mike Stercula, Robert Fuller, Greg Schmidt, Jerry Moore. Row 8: Dave Baden, Jeff Bannister, Dr. Graves, Dr. Logan, Lt. Col. Harris, Dr. Khorana, Dennis Kelley, Dan Lemons, Mike Castor. Row 9: Asst. Coach Chuck Lindner, Asst. Coach Dan McGrath, Asst. Coach Randy Dickens, Tom Miller, Asst. Coach Harry Westerkamp, Asst. Coach Dick Comer, Asst. Coach Pete Varda, Asst. Trainer Carol Connelly, Manager Nick Guntz, Trainer Til Panaranto, Head Coach Bob Thompson, President Dr. Samuel Hulbert.

## Missed Opportunities

## Spell Frustration

The 1984 Rose-Hulman football season was one of missed opportunities. With 21 seniors returning in the lineup, the prospects of retaining the CAC title looked promising. However, Coach Bob Thompson's Engineers met quickly with reality via a season opening 0-27 thumping by Hanover. One poor performance followed another as Taylor tripped up Rose the next week by a score of 13-14. Coach Thompson was happy with the effort and attitude displayed by the team during the Taylor game, but poor execution led to several missed opportunities to take the lead and hinted of a problem that was to haunt the team all season.

Conference title hopes recurred when Rose bounced back to capture victories over conference foe Earlham and Principia College. Coming off the two-game winning streak, Rose took the field with confidence on Homecoming day. Once again though, timely mistakes cost Rose the game as DePauw garnered a 20-3 win. The passing game was a weak spot of Rose and showed up the next week in a loss to Centre as quarterback Duncan Gilmore completed only 7 of 26 passes.

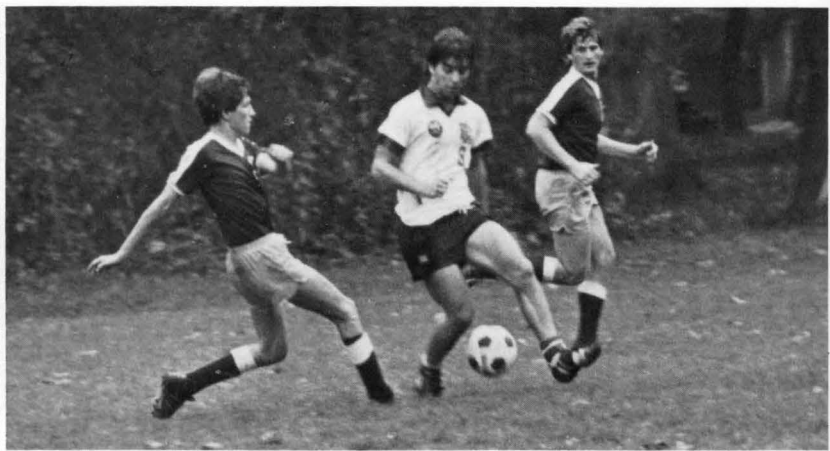

The final goal for the team after experiencing so many disappointments was to salvage a winning record. At 4-4, the team hosted

Washington University and fittingly enough lost due to a few costly mistakes. Washington marked up 10 sacks on the day and tore the usually tough Rose defensive backfield apart as they passed their way to a 17-7 decision.

Linebacker Jack Grote was the MVP and was named to both the Academic All-American and Pizza Hut All-American teams. Receiving All-CAC first team honors were Grote, Keith McConnell, Phil Meiss, Tony Moshak, Joe Rauch, and Roger Vandersnick. Punter Grant Sharp received honorable mention on the AP Little College All-American team.

1984 Soccer—Row 1: Mike Radomsky, Cary Brown, Thien Nong, Andre Brosseau, Dave Musser, Gordy Hathaway. Row 2: Charles Arnold, Young Shin, Steve Schwaiger, Scott Tradup, Rich Correll, Mark Whitmore, Adam Dixon. Row 3: John Ortiz, Alan Rebholz, Tracy Houpt, Paul Price, Coach Jim Rendel, Marty Wessler, Robert Tang, Eric Dittenhafer, Chris Scheiman, Adam Kennedy.

## Soccer Team Improves

The Engineer soccer team improved by leaps and bounds over last year's performance as it amassed a 7-9 record. Coach Jim Rendel labeled the season a success for just that reason—improvement. The defense was more effective and

skilled in the 1984 season. Playing in two different conferences, the team finished fourth in the College Athletic Conference and sixth in the Illinois—Indiana Collegiate Soccer Conference.

Three Engineers garnered

post-season honors. They were: Rich Correll, halfback, Paul Price, forward/goalie, and halfback Scott Tradup. With only three seniors on the roster, the team was very young and continued improvement is expected.

1984 Cross Country—Row 1: Lee Beckham, Gene LeBoeuf, Carl Troike, Scott Orr, Kyle Farmer, Mark Tebbe. Row 2: Dean Kunz, Bryan Millard, Kyle Hayes, Brian Decker, John Beshears, Kenny Roberts. Row 3: Bill Bandy, Rich Leonard, John Reich, Todd Wey, Chris Goss. Row 4: Carl Czarnik, Roger Hruskovich, Kurt Kelso, Dennis Dobbs, D. R. Foley, Mike Steider, Coach Bill Welch.

## Harriers Group For Championship

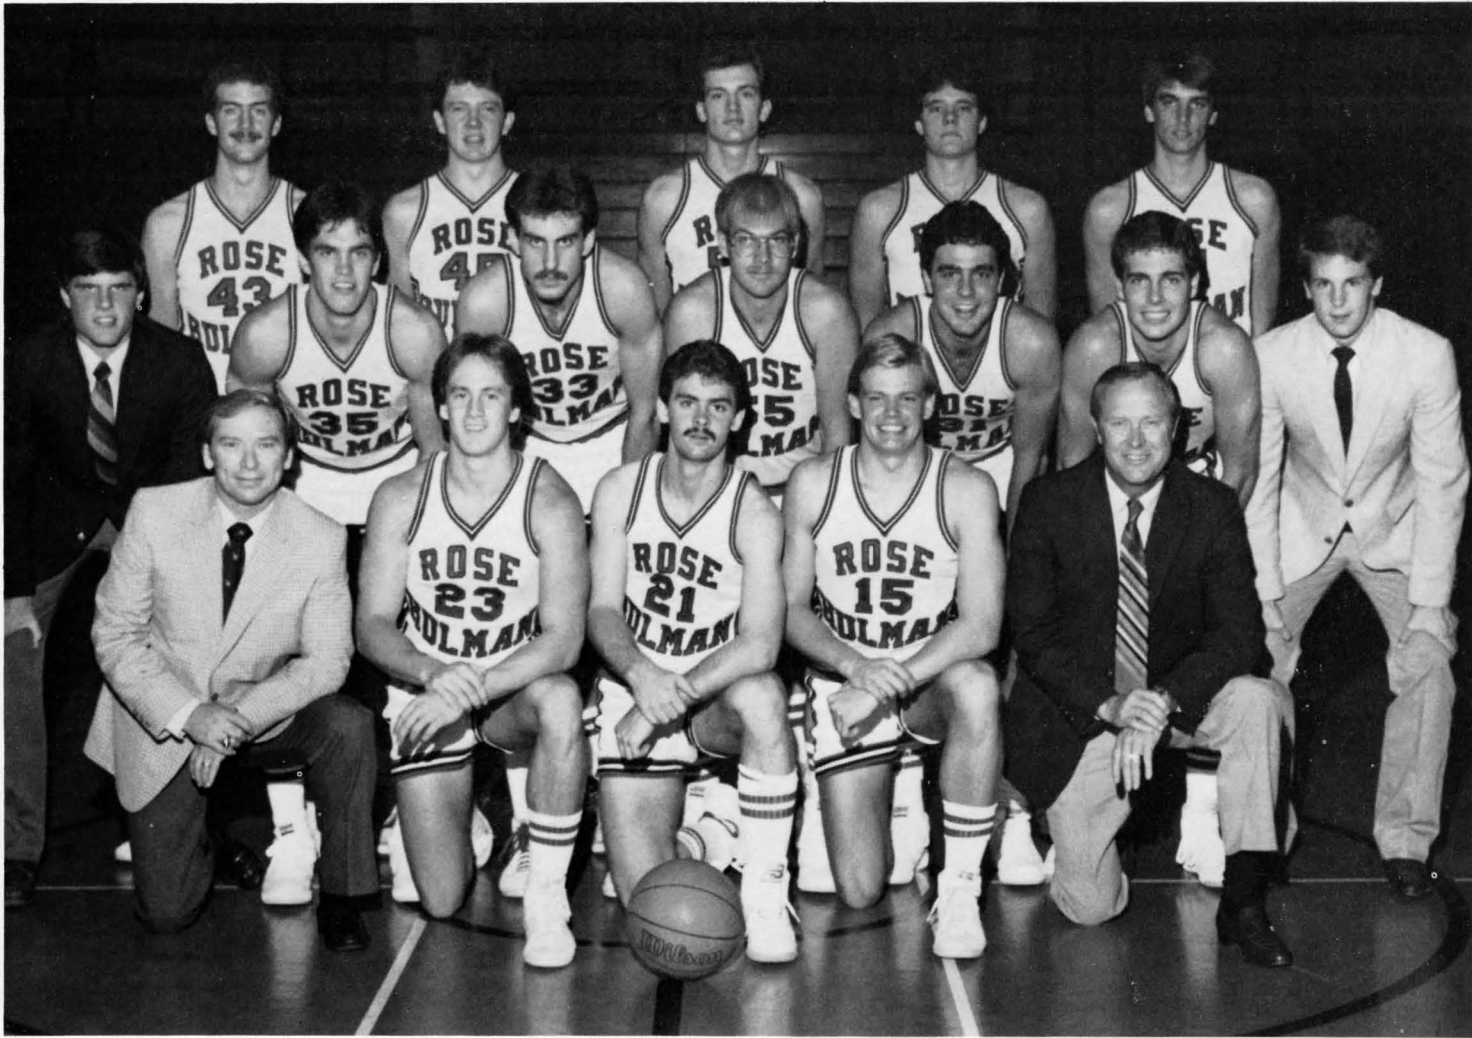

The Rose-Hulman cross country team captured the College Athletic Conference championship at home to cap off a very successful season. The championship at home was Rose-Hulman's fifth, more than any other conference member.

Unlike past years, when the team

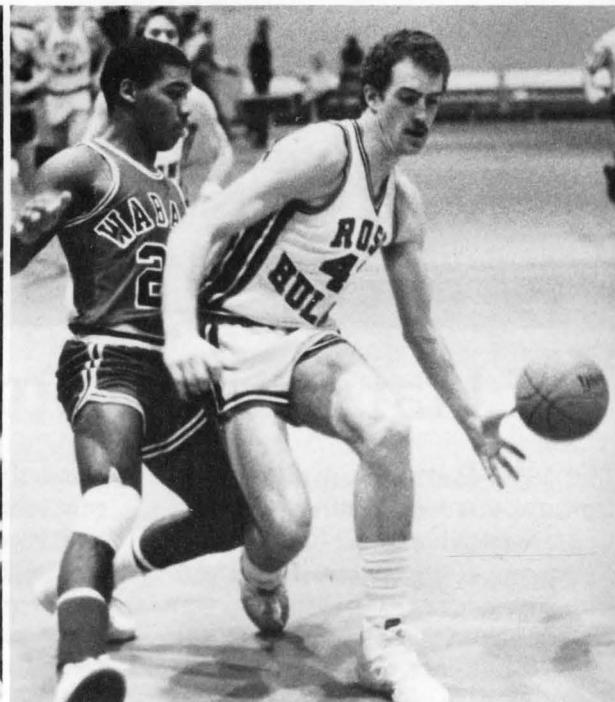

was led by one outstanding runner, this year's squad was team oriented, and it counted on bunched finishes for success. The conference meet was a prime example as five Engineers placed in the top ten. Senior Gene LeBoeuf led the way, followed by Roger Hruskovich, Kyle Hayes,

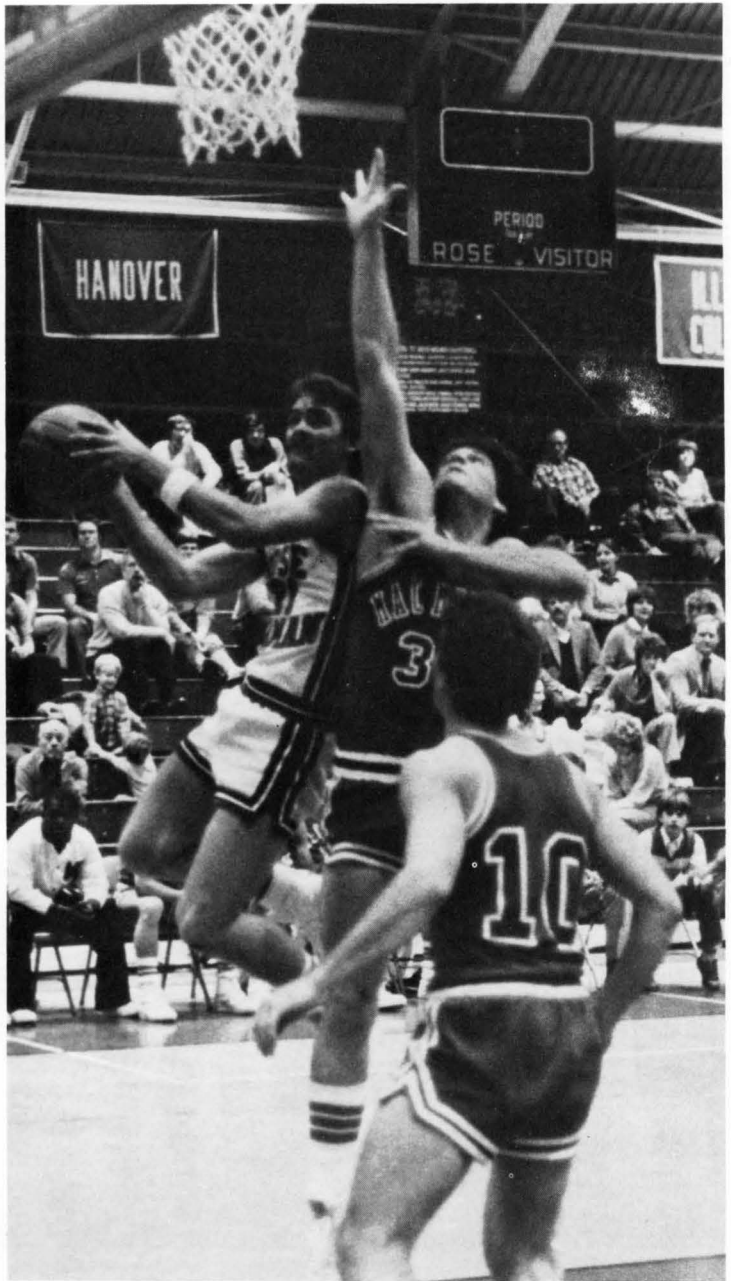

Dean Kunz, and Bryan Millard.

The team also fared well at other meets, including a first-place finish at the Danville Invitational and seventh place in the NCAA Regionals. "We had a successful season that was based on team strength and numbers," said Head Coach Bill Welch in summing up the season.

1984-85 Basketball—Row 1: Assistant Coach Ernie Hisle, Kelly Land, Brad Kiess, Miles Fletcher, Head Coach John Mutchner. Row 2: Manager Brian Mappes, Curt Wehrley, Marc Ruhling, David Stephens, Brad Bentley, Jon Homer, Manager Bert Stone. Row 3: David Plantz, Jeff Wheeler, Doug Underwood, David Urbanek, Jeff Rea.

## Young Team Struggles to 7-19

The 1984-85 Rose-Hulman basketball team failed to extend a ten-year winning season streak as they concluded the year with a 7-19 overall record. Head Coach John Mutchner knew from the start of the year that his young team's outlook was not the brightest of the 22 teams he's coached at Rose. However, with a talented corps of sophomores and an experienced point guard returning, a winning season was still a definite possibility.

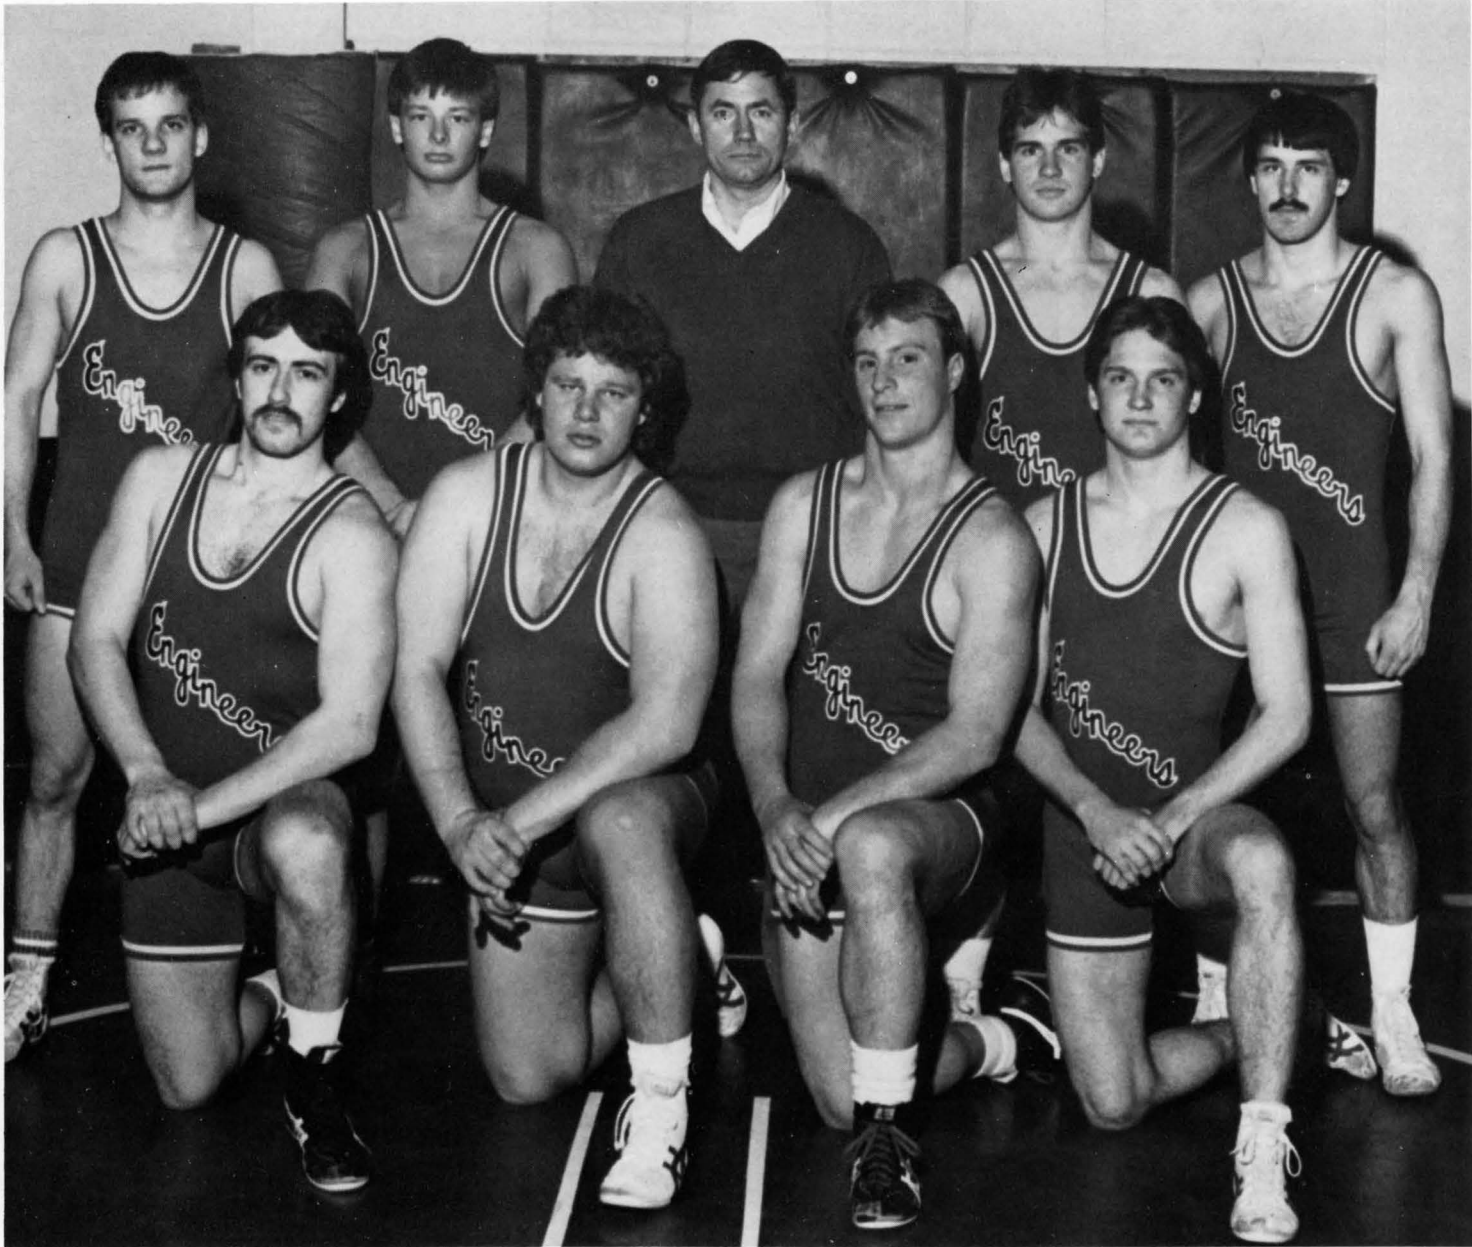

After taking a trip to New York for both enjoyment and two exhibition games, both of which ended up as losses, the team came home to Shook Fieldhouse and proceeded to win three games in a

row. Hope was rekindled in Rose fans' hearts, even after the first home loss to a highly touted Taylor squad as Rose showed how they were capable of playing ball. It appeared the team was improving and would prove to be a force in the CAC title race.

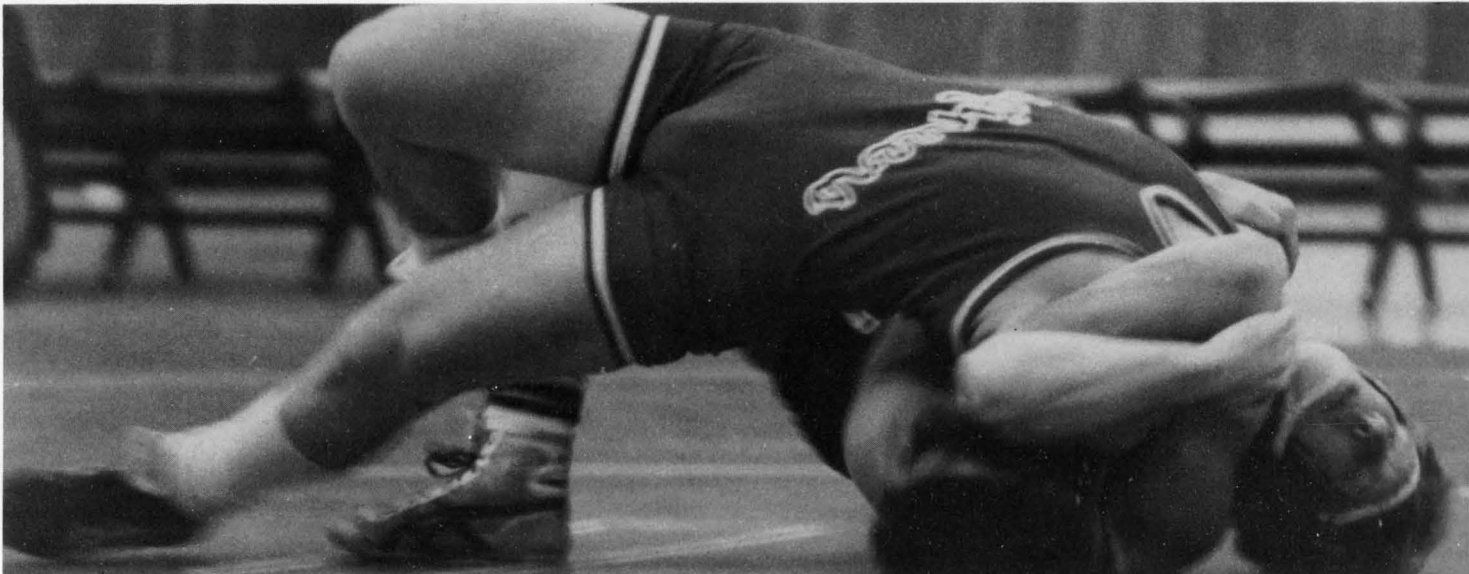

The hope, however, was short lived as Rose lost 16 of its final 20 games, including a tail spin of 11 consecutive losses to end the season, and finished at the bottom of the CAC. The one bright spot on the season was a win over Washington University at home by the score of 86-75. Washington was renowned as a very good team and left Shook Fieldhouse awed by the play of such

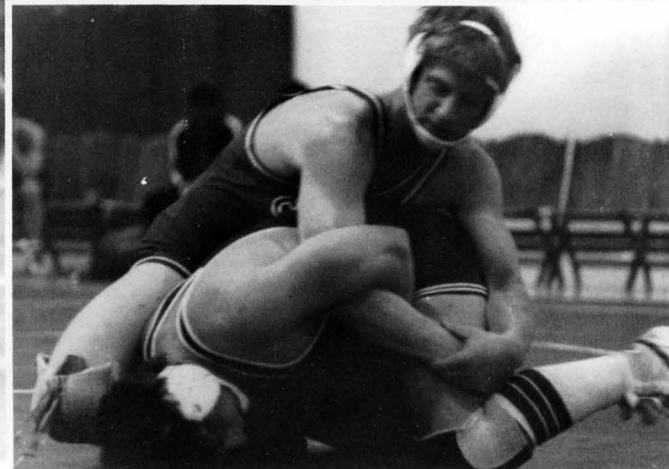

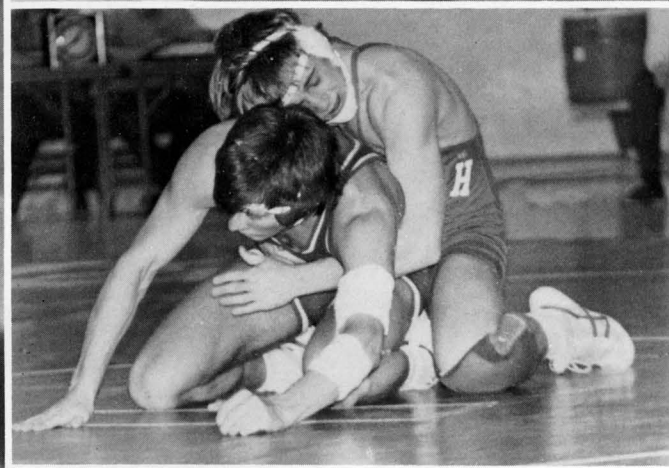

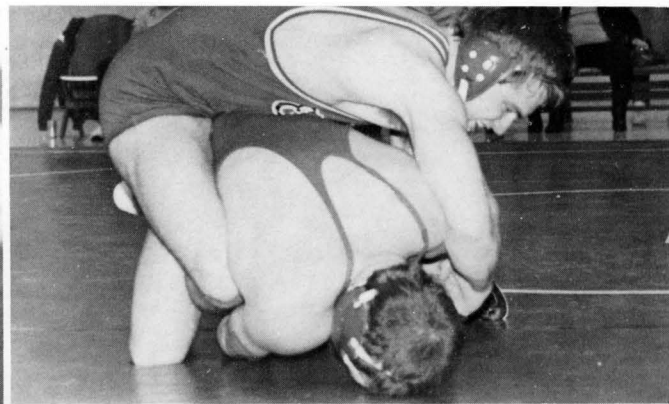

a young Rose team.

Sophomore David Plantz paced the squad in scoring (13.5 ppg) and was second in rebounding (4.8 rpg) while Junior guard Brad Kiess tallied 50 steals and 106 assists to lead the team in those departments. Freshman center David Urbanek showed promise and will probably hold down the key next season allowing Plantz to move outside. Seniors Brad Bentley and Curt Wehrley will be gone next season, but the core of the team will return with valuable experience under their belts with hopes of making up for a very disappointing season.

1985 Wrestling—Row 1: Bill Sabo, John Kantner, Tony Moshak, Wes Davis. Row 2: Dave Coldren, Derin Bluhm, Coach Dan McGrath, Todd Troutman, Tim Yarling.

## Best Mat Season Ever

A young Rose-Hulman wrestling squad turned in the best season of the school's eight-year-old wrestling program by compiling five dual wins against eight losses. In multi-team tournaments, the Engineers were quite competitive.

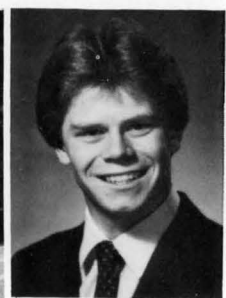

Three Rose-Hulman grapplers had winning records for the 1984-85 season. They were sophomore Wes Davis, 20-5 in the 142-pound weight class; senior Tony Moshak, 15-12 in the 190-pound weight class; and sophomore Doug Nunan, 9-8 in the

150-pound weight class.

Davis was named the Most Valuable Wrestler, and he received the Most Take Downs Award in recognition of 37 take downs. Tim Yarling was named Best First-Year Wrestler.

1985 Track & Field—Row 1: Todd Lozier, Brian Cavagnini, Steve Nerney, Stacy Himes, John Gingrich, Dave Smith, Kurt Kelso, Roger Hruskovich, Scott Orr. Row 2: Coach Bob Thompson, Kyle Hayes, Bob Parker, Chuck Busenberg, Greg Hiatt, Richard Leonard, Kerry Sharp, Tim Yarling, Miles Fletcher, John Hanger, Bryan Millard, Coach Bill Welch. Row 3: Mike Steider, Ken Roberts, Kyle Farmer, Tom Curtis, Karl Kleemeier, William Sears, Tom Vanderlaan, Chris Cook, Eric Schneckloth, D. R. Foley, Mark Tebbe, and Ken Ward. Row 4: Chris Goss, Carl Czarnik, Scott Harbers, Dennis Dobbs, David Beil, Chris Trapp, Marty Jones, Gene LeBoeuf, Paul Kirkeiner, Carl Troike, Brian Decker, Greg Hoffman.

## Track Tradition Continues

The 1985 version of Rose-Hulman's track and field team continued a winning tradition in a record-setting way. It also had a good showing at the national level.

The season concluded with the team's seventh consecutive CAC championship. At the CAC spring sports festival, the Engineers rolled over their competition scoring 300 points while runnerup Sewanee had only 102. It was that kind of year.

On the dual meet score card, Rose-Hulman, coached by Bob Thompson and Bill Welch, tallied a 3-0 record. The team also competed in several other meets and won the Little State Indoor Meet and finished second in the Little State Outdoor Meet.

Ten school records were broken during the year on both indoor and outdoor tracks. On the season, Brian Cavagnini was named Most Valuable Runner, and Stacy Himes received the Most Valuable Field Events Award. Cavagnini also received the team's High Point Trophy.

On the national track scene this year Rose-Hulman finished in a tie for 12th place in the NCAA Division III National Outdoor Track and Field Championships, which took

place during May at Dennison University, Granville, Ohio. That showing was the school's best in history at the national level.

In helping their team finish among the top 15 Division III schools in the country, three Engineer athletes achieved All-American status. For the second consecutive year, junior Chris Trapp captured the national javelin title. He did so with a throw of 229 feet and eight inches. By winning the title, he automatically was named an All-American. Two others earning All-American status at the national meet were seniors Stacy Himes and Marty Jones who finished fifth and seventh respectively in the discus.

In all, Rose-Hulman sent nine athletes to compete in the national competition. That is the most the school has ever sent to the nationals. Others competing included: William Sears, a sophomore high hurdler who earned All-American status at the national indoor meet; junior Brian Cavagnini, 400-meter dash; sophomore John Hanger, javelin; senior Dave Beil, pole vault; Marty Jones in the shot put; and a 400-meter relay team made up of Sears, Cavagnini, senior Steve Nerney, and freshman Chris Cook.

1985 Baseball—Row 1: Mitch Cain, Chip Ray, Scott Johnson, Shawn Kendinger, Bruce Cluskey, Grant Sharp, Aaron Murray. Row 2: John Collett, Jim Short, Jeff Marlett, Andy Burtner, Andy Curosh, Dan Lemons, Todd Hoevener, Bruce Fenimore, Dennis Kelley. Row 3: Robert Osika, Dennis Wallen, Brian Glaze, Joe Witulski, Mike Horton, Jim Yoakum, Alan Snedeker, Dan White, Mark Mayfield, Robert Fuller, Coach Jim Rendel.

## Baseball Team Ends Strong

The 1985 Rose-Hulman baseball team had one of those mixed seasons with a good supply of ups and downs.

The season started on one of the down notes when the Engineers traveled into Georgia for a 12-game schedule and escaped from the South with only one win. After that string of losses, Coach Jim Rendel's squad began to notch some wins, in-

cluding victories against schools such as Wabash, Taylor, Calvin, and DePauw. Overall on the year, the team had a 16-30 record.

The major up note for the season came when Rose-Hulman's offense exploded at the College Athletic Conference Spring Sports Festival. The Engineers went 4-1 at the tournament and finished in a tie for first place in the conference with

Rhodes College. CAC wins were tallied against Earlham (5-2), Fisk (18-0), Centre (12-1), and Sewanee (8-4).

Sophomore Mark Mayfield was named the team's Most Valuable Player, and he also received the High Batting Average Award. Pitcher Bruce Cluskey received the Lowest Earned Run Average Award.

# Tennis Tougher

In striving to be your best, you have to play the best. With that philosophy in mind Tennis Coach Randy Dickens increased the caliber of the competition on the 1985 schedule for his tennis team. Many NCAA Division I schools were added to the regular season schedule.

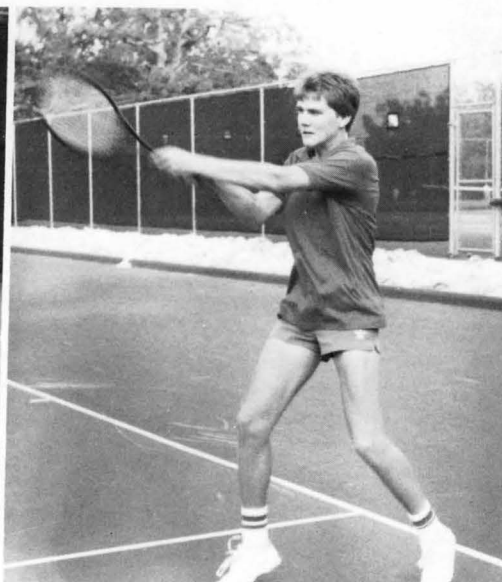

That beefed-up schedule saw the Engineers finish with a 3-7 regular season record against many larger schools, but the competition helped shape the Engineers into formidable foes by the time the College Athletic Conference Sports Festival rolled around.

Rose-Hulman took second in the conference, winning four matches and losing only one to host Sewanee. The Engineers defeated Centre (5-4), Rhodes (8-1), Earlham (8-1), and Fisk (8-1).

Two netters shared Most Valuable Player honors this year. They were Chad Beesley and Barry Peterson.

1985 Tennis—Row 1: Muke Solanki, Dave Norman. Row 2: Coach Randy Dickens, Mike Insko, Mick Smythe, Steve Patterson. Row 3: Barry Peterson, Chad Beesley, John Puckett.

1985 Golf—Row 1: Mike Van Stone, Dennis Aldridge, Ron Neumeyer, Grant Walmoth, Mike Rooksberry. Row 2: Dave Bramer (assistant coach), Anthony Gilkison, Steve Mendoza, Mark Adams, Mark Bower, Tom Robinson.

## Rifles

The Rose-Hulman rifle team, under the coaching of Master Sergeant Joe Bohannon, had a successful season. One of the highlights of the year came when the squad took top team and individual honors in the Midwestern Rifle League Open Championship Tournament. Rose-Hulman accumulated 1,243 points in the tournament that included competitors from Northwestern University, Northern Illinois, Illinois University, and the Illinois Institute of Technology.

Stan Smith, the Engineer captain, took top honors at that tournament, and he was named Most Valuable Shooter for the season. Jay Groom was named Most Improved Shooter for the season.

1985 Rifle Team—Row 1: Stan Smith, Don Boughton, Ronald Budd, Anthony Wilt, Tony Dennis.

## Golf Strong

The Rose-Hulman golf team captured second place in the College Athletic Conference tournament to help Rose-Hulman win the CAC President's All-Sports Trophy. The golf season started in grand fashion when the Engineers won during their 1985 opener at the Indiana University—Southeast Invitational. Rose-Hulman took that eight-team competition with a score of 319. Ron Neumeyer was the medalist in that event with a round of 75.

The squad's next competition came on its home course at Hulman Links during the Rose-Hulman Invitational. The Engineers finished sixth in the 11-team field. Senior Mark Adams finished in fourth place in individual play.

The remainder of the season saw the Engineers finish in the middle of the pack during other tournaments until they traveled to Sewanee for the CAC tournament. At that competition, Rose-Hulman maintained a close fight for the lead in two days of play. When the 36 holes of play were up, Rose-Hulman sat in the runner-up spot only four strokes behind Sewanee, who had the home course advantage. Adams finished third in individual play. Adams was named his team's Most Valuable Player for the 1985 season. The team was coached by John Mutchner and David Bramer.

# Rose Reigns As King of CAC Conference

A strong showing at the College Athletic Conference Spring Sports Festival resulted in Rose-Hulman regaining the CAC Big Bell President's All-Sports Trophy, a symbol of conference supremacy in all sports. The all-sports standings found the engineers on top with 182.5 points followed by Sewanee (170), Rhodes (155), Centre (152.5), Earlham (125), and Fisk (45). The sports that count toward the all-sports trophy are

cross country, soccer, football, basketball, track, baseball, tennis, and golf.

Heading into the spring festival during May at Sewanee, Tenn., Rose-Hulman ranked fourth in the all-sports standings, 15 points out of first place. That ranking was the result of finishes by fall and winter teams. The spring sports teams had their work cut out for them heading to Tennessee, and they met the

challenge. The track and field team captured its seventh consecutive CAC championship, and the baseball team finished in a tie for first in that sport. The golf and tennis teams both finished second in the six-team competition.

This year's win of the CAC Big Bell marked the sixth time Rose-Hulman has captured top all-sports honors since it joined the conference in 1975.

The cheerleaders for the 1984-85 year were (top row, L to R) Chandra Corey, Cindy Langston, Jenny Varga, Cathrine Cox, Tracy Morrison, and Carrie Brown. The guys were (Team Picture, L to R) Todd Troutman, Brian Hurr, Brian Heim, David Cramer, Jack Roether, and Phil Moore. Dale Schnarr was Rosie. This was the last year for cheerleader captain Carrie Brown who put in five proud years cheering for Rose-Hulman. To Carrie Brown and the rest of the cheerleaders, the men of Rose-Hulman say thanks.

# ALPHA TAU OMEGA

Alpha Tau Omega was founded shortly after the Civil War as a national fraternity and has since grown to one hundred and sixty-four chapters across the United States. The local fraternity of ATO was the first founded at Rose-Hulman in 1894. From that

time to this, ATO has been helping to broaden the experiences of college life at Rose-Hulman and aiding our members in becoming well-rounded and responsible members of society after graduation. Offering a wide variety of activities and responsibilities to all the

members, Alpha Tau Omega has shown itself to be much more than just a social fraternity. The chapter house was the first to be built on campus, and its large size enables all who desire to live in the house to do so.

# DELTA SIGMA PHI

The Delta Sigma Phi National Fraternity was founded in 1899 at the College of the City of New York. On April 2, 1980, an official interest group was organized for the purpose of forming a seventh social

fraternity at Rose-Hulman. After an intense survey of the national organizations available, the group chose Delta Sigma Phi and was officially colonized October 7, 1980, with 23 members. The Rose-Hulman

chapter presently consists of 53 men, representing the broad spectra of the Rose student population. In 1982 the Chapter acquired a house at 429 South 6th Street. The house can accommodate 35 men.

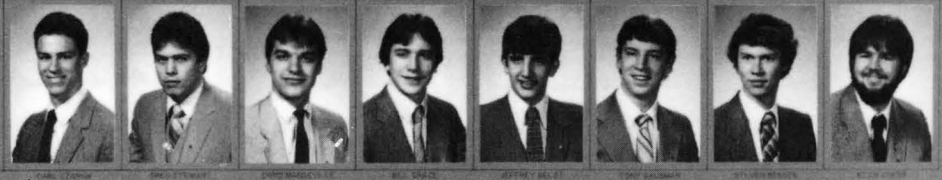

# Lambda Chi Alpha

# Rose-Hulman Institute of Technology

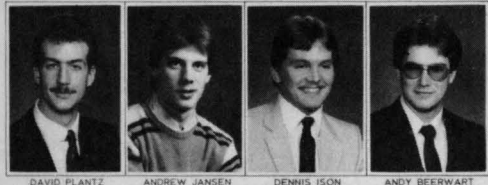

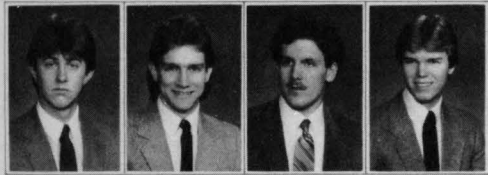

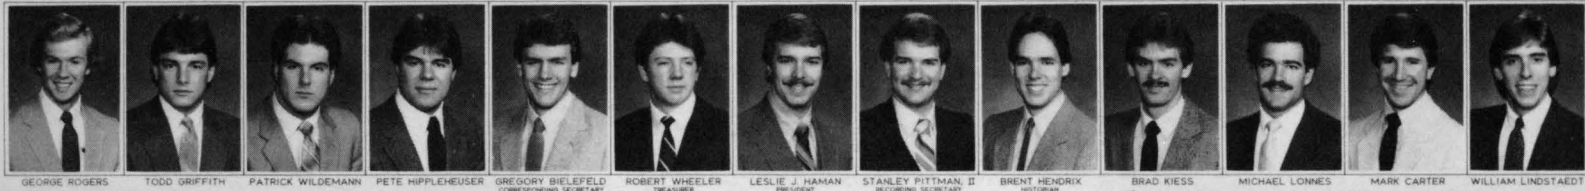

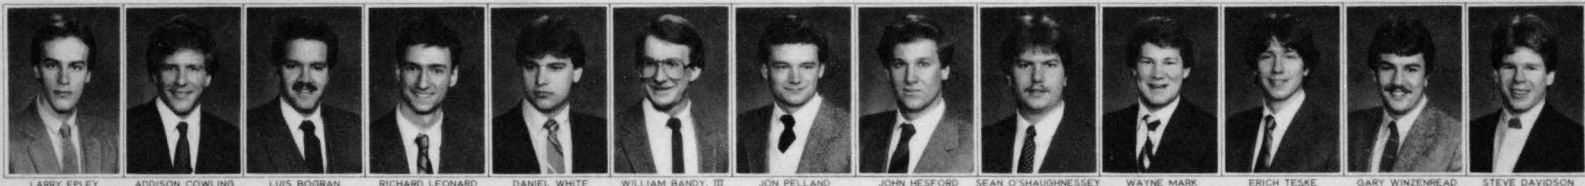

# LAMBDA CHI ALPHA

Lambda Chi Alpha is a social fraternity, founded upon Christian principles and ideals at Boston University in 1909. There are 166 chapters of Lambda Chi Alpha and 23 colonies in 45 states and three provinces in Canada. The local chapter traces its history back to 1900 and a local, secret organization known as the Polytechnic Institute Experimental Science Fraternity, or the P.I.

E.S. In 1925 this group affiliated on a national basis when it joined Theta Kappa Nu, then in its second year as a national fraternity, the chapter became Theta Kappa Zeta of Lambda Chi Alpha when Theta Kappa Nu and Lambda Chi merged in 1939. A Rose graduate and former national president of Theta Kappa Nu, LeRoy Wilson, was a leader in bringing about a merger. The dedi-

cated goal of Lambda Chi Alpha is to help to teach, to inspire, and to instill in a man the ideals that are the very substance of a well-rounded character. The brothers of Theta Kappa Zeta feel that fraternal life has much to offer the Rose-Hulman man, and are thus very proud to be a part of the Greek system at Rose-Hulman. The chapter house is located on the east end of the Rose-Hulman campus.

# PHI GAMMA DELTA

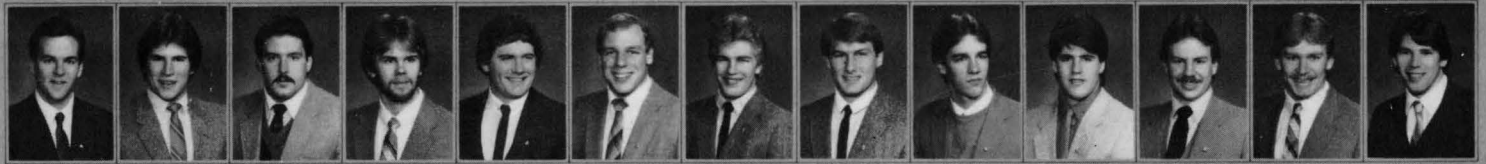

Phi Gamma Delta was the sixth social fraternity to be founded on the Rose-Hulman campus. In the spring of 1968, fifteen men saw the need for another fraternity on the campus, and proceeded to investigate thirteen national fraternities.

Phi Gamma Delta was chosen for their high ideals and qualities, and their national reputation. Through the support of the Terre Haute graduate chapter, Rho Phi Chapter of Phi Gamma Delta received its charter on November 22, 1969. From

their very beginning at Rose-Hulman, the Fijis have had excellent faculty advisors. The Rose-Hulman Fiji's residence is a thirty-man house located at 1121 South Sixth Street in Terre Haute.

# SIGMA NU

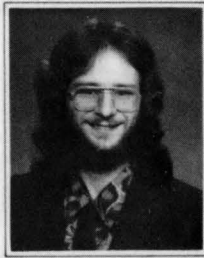

Established in 1869, within the rigid confines of the Virginia Military Institute, Sigma Nu has assumed national prominence with 141 chapters dispersed throughout the country. Erected upon the premise that honor and courtesy should become an integral portion

of the college graduate, Beta Upsilon chapter of Sigma Nu has attempted to achieve this end at Rose-Hulman Institute of Technology since its chartering on May 9, 1895. Sigma Nu offers a social atmosphere which is more than appropriate. On campus, the brothers

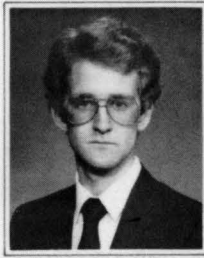

often engage in athletics, publications, honor fraternities, and other activities, in addition to assuming many positions of leadership. The core of Sigma Nu is located at 831 South Center Street in Terre Haute, where, in the fraternity house, dwell 25 brothers.

# THETA XI

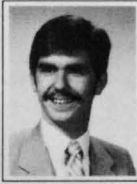

Theta Xi Fraternity was founded at Rensselaer Polytechnic Institute as a social fraternity for people pursuing the study of engineering. On April 9, 1926, Theta Xi became a general college fraternity establishing chapters at non-technical schools. Today there are 74 chapters and 3 colonies located at colleges

and universities across the nation. Kappa chapter was founded here at Rose-Hulman on March 30, 1907. The chapter house is presently located at 902 South Sixth Street, near the downtown area of Terre Haute, and has a capacity of 24 brothers. The location allows each brother a change of pace from the

academic atmosphere and provides him with a homelike atmosphere. Each brother is given a chance to develop his own individuality while contributing to the group's benefit. Also he learns to live and work with many different people.

# TRIANGLE

Triangle Fraternity was founded in the fall of 1906 at the University of Illinois. There are currently 33 active chapters and one colony located at outstanding engineering colleges and universities across the nation. Triangle is unique in the National Interfraternity Conference, being the only member fraternity that selects its membership from students majoring in engineering, architecture, and the applied sciences. The Rose-Hulman chapter of

Triangle, colonized in 1966, received its charter May 4, 1968, the first new fraternity on the campus in 40 years. In 1969 the chapter moved into its new fifty man house on fraternity row on the Rose-Hulman campus. The men of Triangle believe that classwork must be of good quality, but that a good education is not necessarily the result of a mad rush for grades. In the chapter home of the fraternity, there is an opportunity to

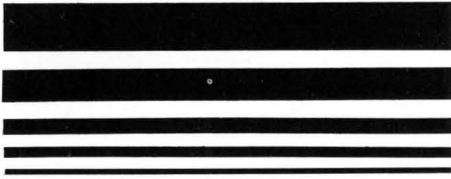

supplement the teachings of the classroom. In Triangle, each brother has the opportunity to learn lessons of group living, of personality and character development, in an atmosphere designed for fullest benefit to the individual. Triangle thus provides a bridge between academic life and a career, as well as a foundation for success in the years after college.

## It's a Wrap

As we push away from the Modulus work table, we mark the end of another year in the life of Rose-Hulman. Although this is the end of this book, it marks the beginning of new chapters for all Rose-Hulman students. Members of the Class of '85 will face the newest challenges as they enter the working world of business, industry, and graduate school. For those of us coming back, there will be continued challenge in the labs and classrooms. Before we put the lid on the paste jar and pack our layout sheets, we want to thank all faculty, staff, students, and organizations who assisted us in gathering information for this record of the 1984-85 school year. A special thank you goes to Bob Mattingly (Class of '86) who came on board this summer to put this book together. It was a monumental task met in fine fashion. Best wishes to all.

The Modulus Staff
